Training for United Fund

By HARRY BARNES
Press-Record Staff Writer

A final training session for United Fund workers and others interested in knowing more about activities of the Tri-Cities Area United Fund campaign will be held Thursday at the YMCA from 9 until 10:30 a.m.

The meeting will be the last such session before the 1972 United Fund campaign gets under way at a kickoff dinner Friday night to finance member agencies during the 1973 calendar year.

The 6:30 p.m. dinner meeting is scheduled at the Sunset Hills Country Club.

The public is invited to the Thursday morning training session, but drive leaders have urged especially that workers who will take part in the campaign be present.

Speakers will explain how the United Fund operates and answer questions about fund activities. Films will be shown.

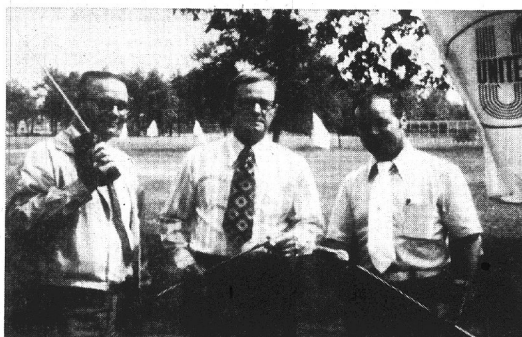

Similar meetings were held last week and early this week.

\$413,861 Quota

The UF board has adopted a \$413,861 quota, noting that verified operating needs of the fund agencies exceeded \$500,000. Compared with the \$396,629 raised a year ago, the new goal is an increase of between 4% and 5%.

In cutting back the UF agencies' request for operating funds, the United Fund Admissions and Distributions Committee and UF directors took into account that the goal last year was \$408,396 and that the general employment level has decreased since then.

Paul H. Kelly, manager of the A. O. Smith Corp. plant in Granite City, is general chairman of the UF campaign, and planning for the kickoff dinner is being coordinated by Howard M. Love, president of Granite City Steel Co.

EARLY LEADERS in the United Fund's Hole-In-One Tournament which opened Friday and continued during the weekend at Wilson Park are Dick West (center) of Granite City Steel Co. and a member of the UF Task Force, and Vern Bauer (right) of the Missouri-Pacific Railroad, St. Louis. At left is Guy Cooper of A. O. Smith Corp. and president of the Jaycees, using a walkie-talkie to report the scoring. The tournament also will be held this week on Friday, Saturday and Sunday. Prizes will be awarded on the basis of closest shots to the hole.

Game Is Dedicated to Former GCHS Principal

The Granite City O'Fallon football game played Friday night at the Granite City High School athletic field was dedicated to Lawrence McCauley, who retired as principal of the high school this spring. He was present at the game in a wheelchair.

Mr. McCauley, who retired at the end of the school term in June, became ill while on a fishing trip in Wisconsin early in the summer.

He returned home at that time and has been hospitalized for tests at St. Elizabeth Hospital, where he was released three weeks ago.

The McCauleys, who reside at 227 Princeton Drive, had planned to move to Arizona following his retirement but have dropped those plans until the former principal, teacher and coach recovers his health.

Plans 5th Vietnam Tour

By VALERIE EVENDEN
Press-Record Staff Writer

Army Specialist 4 James H. Rehms believes that present United States policy in South Vietnam is the right approach to the problem there and he is willing to back up his belief.

On Saturday, Oct. 28, the local serviceman will voluntarily return to Vietnam for a fifth tour of duty in that country.

He now is home on leave. Spec. 4 Rehms, 25, is the son of Mrs. Loretta Downs, 2829 Palmer Ave. He joined the Army in 1965 and following basic training spent more than a year in Germany.

His first assignment to Vietnam came in April 1966. He remained there 15 months.

During the initial tour, in June 1967 while serving in the Central Highlands area, he was wounded, shattering his arm in three places.

The soldier started another 12-month assignment in Vietnam in June 1969 and in October 1970 he began the first of a two-part extended tour lasting more than 18 months.

He came home briefly in November 1971, but volunteered to return overseas until May of this year.

Since May he has been stationed at Fort Knox.

Spec. 4 Rehms hopes to rejoin his former unit — the 71st Transportation Detachment, based near Saigon, when he arrives over there next month.

The Vietnam veteran isn't sure, however, that his "old" unit is still operational, as many outfits have been reassigned since he returned to the United States last May, he noted.

Driver Injured in Auto, Taxi Accident

Thomas A. Stuart, 27, of 2130 Grand Ave., was injured when his auto collided head-on with a taxicab driven by Robert L. Turner, 2222 State St., at 1:10 a.m. Sunday on Route 162 just west of Route 111.

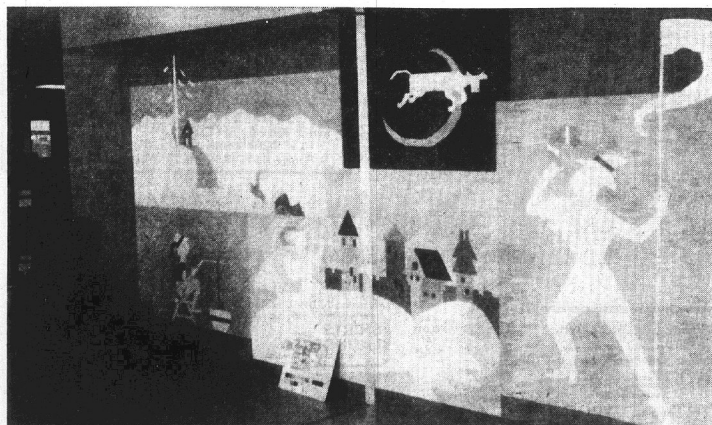

Madison County sheriff's deputies reported that the Stuart auto rolled several times and stopped on its top about 175 feet from the point of impact, and the taxi spun around and struck a utility pole.

Stuart was admitted to St. Elizabeth Hospital with abrasions to the left knee and cuts to the right side of the forehead and upper lip. X-rays were taken.

Motorcyclist Hurt at Niedringhaus-Slate

Dale E. Judeman, 16, of 3711 Kirkpatrick Homes, was treated for a three-inch cut to the right leg at St. Elizabeth Hospital, following an accident involving Judeman's motorcycle and an auto operated by Richard E. Duncan, Rural Route Two, Box 1107, at 9 p.m. Friday.

Police said Duncan was traveling west on Niedringhaus Avenue making a left turn into State Street. No contact was made between the vehicles, police stated. The injured youth was released after treatment.

EYE CATCHING MURAL at the Russell D. Johnson Elementary School. Artist Keith Rabey, 18, is busily at work completing the large 16x7-foot painting inside the school's front entrance. Vivid hues appealing to the youthful pupils are blended into multiple nursery rhymes and story themes

against a bright yellow background wall. In foreground is Robin Hood and in the sketch at top left "Little Red Riding Hood" prepares to visit Grandma. Center themes show the "Cow Jump Over the Moon" and the Pied Piper of Hamelin. The artist puts the finishing touches to "Simple Simon."

Bennett Named Acting Pontoon Police Chief

By GARY SCHNEIDER
Press-Record Staff Writer

In a surprise move Thursday night, the Pontoon Beach Village board accepted the previously unannounced resignation of Chief of Police Harold Denham and hired Rosewell Bennett Jr. as acting chief. Denham will remain with the department as a sergeant.

The board met in special session to hire new personnel, but the only positions to be filled were those of village clerk and treasurer.

Of those positions, the only one filled at the special meeting was that of treasurer. Mrs. Loretta M. Skinner, 24 Westgate Drive, Pontoon Beach, was named to fill the vacancy created by the resignation of Harry Briggs Jr., who had served only three weeks in the post.

The resignation of Denham came as a surprise to most of the village residents, and to at least one board member.

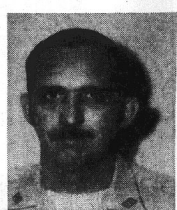

Denham said later he had informed Otto Kreher, village board president, Monday of his intention to step down at Thursday's meeting.

Personal Reasons — In his resignation letter, Denham said he was resigning for "personal reasons." He declined to elaborate after the meeting.

Dr. Dean Rochester, board member, protested that he had been told about the resignation

and plan to advance Bennett only one hour before Thursday's meeting.

He said Denham had been forced into stepping down by several moves, including a new work schedule by John Cole, chairman of the police committee, which put Denham on a straight midnight shift.

"An effort to oust him has been under way ever since he became chief," Rochester said. Rochester indicated that Bennett was made acting chief as a compromise between those on the board who wanted Denham to remain in the post and those who wanted Bennett as chief.

"We (the board members)

plan to look for someone with professional experience and preferably someone who is retired and would accept the position as chief of police here," Rochester commented after the meeting.

Resignation Accepted — Denham's resignation as chief was accepted by the board over Rochester's objections. He abstained from voting.

Trustee Loren Madison then made a motion that Bennett be made chief. The motion was given a second by Trustee Don McNew. Kreher objected, saying that according to the board rules he was to make appointments and the trustees could only concur or reject his recommendations.

A heated discussion followed until Rochester suggested the meeting recess 15 minutes. The trustees retired to a back room to work out a compromise.

When they returned, Kreher appointed Bennett acting chief and the council concurred with only Rochester abstaining.

Denham joined the department in 1965 as a volunteer policeman. He became a paid patrolman three years ago and the following year was named the first full-time chief of police. His step down to sergeant will drop his salary from \$180 per week to \$160 per week.

Bennett, who is trading salaries with Denham, was a corporal with the department prior to Thursday night. His promotion became effective with Denham's resignation at 11 p.m. that night.

Former Trustee — Bennett, 21 Lakeview Drive, began his service to the village as a trustee in 1966 and in 1968 he became a police volunteer. He resigned his board post to become a full-time policeman two years ago.

Mrs. Skinner was hired as treasurer on the recommendation of Dr. Rochester who said she has served four years in St. Louis as an accountant and has the experience necessary to handle the village's financial affairs.

Rochester suggested Sept. 14 that Mrs. Skinner be hired, but withdrew the recommendation when Trustee Fred Reeder requested a week in which to study the appointments.

The board appointed Dr. Rochester as acting clerk Thursday night until a new clerk can be hired to replace Mrs. Dorothy Simpson, who resigned because her family is moving from the village. Her resignation, submitted Sept. 14, became effective at midnight Friday.

Slight Rise in Madison School 1972 Tax Rate

A new tax levy of \$877,235 — a decrease of \$9,140 below that of last year — was adopted by the Madison Board of Education Thursday night to finance part of a 1972-73 school budget of \$2,622,255, which also was approved during the meeting.

Both the final budget and tax levy were adopted during a regular board meeting following a public hearing in which permanent budget figures were determined.

On the basis of tax levy figures presented the board by School Superintendent Fred Riddle, school officials projected a 1972 tax rate of \$2.862 per \$100 assessed valuation, up 2.7 cents over the 1971 rate of \$2.835.

During the public hearing, the board approved an increase in the educational fund appropriation from a tentative budget figure of \$2,394,085 to a final budget total of \$2,390,740 — an increase of \$46,655.

Building Fund Cut — At the same time, however, board members also approved a revision downward of the building fund appropriation from a tentative budget figure of \$271,515 — a decrease of \$29,484.

The budget projects a deficit of \$179,384 in the educational fund which, for budgeting purposes, combines the items of Title I instruction, transportation, school lunches and municipal retirement.

Riddle told board members the district may expect anticipated revenue of \$2,301,113 in the education fund and tax revenue of \$233,100 in taxes and \$1,185,327 in state aid — but a deficit last year of \$129,736 must be paid from this revenue.

This leaves an estimated \$2,171,366 income for the fiscal year, applied against the total \$2,390,740 budget.

The building fund budget of \$271,515, which includes retirement of bonds and interest due this year, projects a balance of \$25,183 at the end of the year.

Supt. Riddle said estimated revenue for the building fund totals \$263,275. This is added to balances of \$33,423 from the 1st school year, to provide total available funds of \$296,698.

The tax levy adopted by the board extends \$495,000 in the educational fund for a projected tax rate of \$1.69 per \$100 assessed valuation, and \$116,590 in the building fund which will require the district's maximum building fund rate of 37.5 cents.

Rainfall Well Above Normal This Month

Dismal skies, wet pavements and laws and frequent clouds may have prevailed in the Quad-City area during the past week, but only .63 of an inch of rain fell during the four days since Thursday, according to rainfall records at the Chain of Rocks locks where weather records are maintained for the U. S. Army Corps of Engineers.

For the month thus far, however, total rainfall is well above the normal for September, with a total fall through this morning of 4.27 inches. Normal for the month is 2.76 inches.

Heaviest rainfall within the past week was recorded Sunday at 30.3 of an inch, 93 of an inch was recorded Friday and 20 of an inch of rain fell Thursday. Another 10 of an inch was recorded Saturday.

Heaviest of this month's rainfall was recorded Sept. 2, when 1.65 inch of rain fell for the 24-hour period ending at 8 a.m. on that date. Another .84 of an inch fell the following day, Sept. 3. On Sept. 8 a full of .84 of an inch was recorded, and another 20 of an inch was registered Sept. 14.

TERRACE GARDEN CLUB TOURS FARM GROUNDS

Members of the Terrace Garden Club were guests of Mr. and Mrs. Victor Reznack at their farm in Batchtown.

The women crossed the Illinois River at Brussels, by ferry, continuing on to the farm, where they toured the grounds and vegetable garden.

They also stopped at the adjoining Elmhurst apple orchards for a supply of fruit.

Lunch was enjoyed at the Apple Shed establishment in Batchtown prior to the trip home. Those present for the day's activities were Mesdames Teresa Kinchoff, Olga Targoff, Ann Reznack, Myrtle Hickman, June Cuchna and Nettie Minner.

The club will begin its fall program on Oct. 11, when it will meet at the home of Mrs. Shirley Rapp.

Miss Anna May Moore Quits Housing Post

Miss Anna May Moore of Granite City, executive director of the Madison County Housing Authority for the past five years, has resigned the post.

Her resignation was accepted by the authority board during a regular meeting last week, according to Edward Foley of Venice, board chairman.

Foley said Miss Moore's resignation is only "personal reasons" for leaving the post. The authority has its offices in Madison, and the housing operation of housing units in Venice, Madison, Collinsville, Alton and East Alton.

Miss Moore worked in other positions for the housing authority for 11 years before her appointment as executive director.

Foley said the board expects to appoint an executive director to succeed Miss Moore during a regular meeting Oct. 18.

Two GC Men Arrested In Auto Theft Ring

Two Granite City men were among five arrested Thursday by state police investigators at an auto salvage yard near East St. Louis in connection with an auto theft ring.

They are David Cunningham, 44, of Webster, Mo., who operates the Cunningham Auto Salvage yard at 2450 Black Lane near East St. Louis, and Alan Sparks, an employee. The elder Cunningham also was arrested. They posted bonds of \$2,400 each in St. Clair County Circuit Court.

The other two, from East St. Louis and University, Mo., were arrested while attempting to sell five tires and wheels stolen in St. Louis.

The five were charged with theft. Police said that the yard contained more than 700 car bodies and thousands of parts, and that many identification numbers were altered or removed.

Gov. Ogilvie on Thursday, by vetoing one of two bills submitted to him, set the effective date of the new Illinois implied consent law as Oct. 1 instead of three months later.

The law gives police the right to stop motorists and give them a drunkenness test that can be used in court. If a driver refuses to take the test, he automatically loses his license for three months.

A poll just taken by WBBM-TV in Chicago says Gov. Richard Ogilvie has overruled Dan Walker in voter support, 38.6% to 38.6%, with 22% undecided; his first poll, in August, showed Walker ahead 42%-38%.

An Illinois Education Association endorsed Walker Saturday.

3-CAR COLLISION

A three-car chain reaction collision, occurring at 5:15 p.m. Friday in the 3000 block of Madison Avenue, involved a 1965 Buick Wildcat, a 1965 Ford Mustang, and a 1965 Chevrolet. The cars were involved in a traffic lane, and a vehicle operated by Charlotte D. White, 2229 Iowa St. All three vehicles were northbound on Madison Avenue.

AUTOSTRIKES POLE

Reymond E. Jones, 52, of 1518 Second St., Madison, was injured when his auto skidded on wet pavement and struck a utility pole at 12:35 p.m. Saturday on Highway 162, one quarter mile from Route 35. He was taken to St. Elizabeth's Hospital in Madison. Madison sheriff's deputies reported.

SLIDES ON PAVEMENT

Wet pavement was blamed for an accident at 8 p.m. Friday at Nameoki and Pontoon roads, involving the halted auto of Richard D. Reutebuch, 3917 Village Lane, Apt. B, and one driven by Paul R. Kindle of East Alton.

Grand Jury Indicts 10 In Crimes in Area

Ten persons were charged with Quad-City area crimes as the Madison County Grand Jury returned 22 indictments Thursday afternoon.

Charged with five counts of auto theft in one indictment were Freddie Pointer of Venice and Willie James Coley, Wardell McIntosh, Henry Adams, Robert Ship and Eddie Noldon, all of St. Louis.

Joe Lutz of Venice was charged with arson in the home of a fatherless child, Venice.

Russell Hughes of Madison was charged with unlawful possession of marijuana. Chris A. Gitchie of Caseyville and John E. Haxley of Granite City were charged with unlawful possession of a controlled substance, phenobarbital.

GC Man, 29, Arrested On Morals Charge

A Granite City man, 29, was arrested by St. Louis County police Thursday on a morals charge for the third time.

Named in a warrant charging child molestation was Thomas R. Wilcitt, an employee of a print shop, in connection with an incident involving a 17-year-old male hitchhiker who was molested in the car on July 21. Bond was set at \$25,000.

Wilcitt, who once was held by Granite City police for St. Louis County authorities, was charged Aug. 16 with forcing a 17-year-old boy to submit to an act of sodomy.

He was released on \$6,500 bond. The same charge was filed later on a complaint of a 13-year-old male hitchhiker. The man was identified by the youths through photographs and a police lineup.

PAKED AUTO LOOTED

Items valued at \$150 were stolen from the auto of James Wright, 2304 Washington Ave., parked at the side of his home during the night, he reported at 8:50 a.m. Friday. The break-in was by means of the right vent window. Taken were a \$15 8-track stereo unit, 10 stereo tapes valued at \$60, two pairs of trousers valued at \$35 and two shirts valued at \$20.

AUTO WIRES LOOSE

Robert Lindsey, 2401 Adams St., reported Thursday that wires were found hanging under the dashboard of his 1968 auto in an attempt to hot-wire it while it was parked in front of his home during the night.

Manoogian Candidate in Scouting Competition

Stanley Graig Manoogian, 16, son of Mr. and Mrs. Leo Manoogian, 3233 Fehling Road, has been selected to represent the Cahokia Mound Council in national competition as a candidate for National Youth Representative of the Boy Scouts of America. He is announced today by Robert Hillard, chairman of the local selections committee.

Young Manoogian is a junior assistant Scoutmaster of Troop 59 sponsored by the Central Christian Church. He is an Eagle Scout and has been in Scouting eight years since joining the Cub Scouts. He is a Brotherhood member of the Order of the Arrow, Scouting's national honor camping society.

He is a junior at Granite City High school where he is on the varsity football team.

He is active in the Armenian Apostolic Church where he earned his God and Country Award, and is an officer in the Armenian Youth Federation and Organization.

Manoogian currently is a volunteer worker for the United Fund Drive. He also is a swimming instructor for the Red Cross and the local YMCA.

The young man's career interest in the field of science. At the present time, he feels he would like to study Marine biology.

If he is chosen by the National Activities Committee he will take part at a National level in the Boy Scout anniversary.

Venice Raises Admission to Basketball Games

Admission fees at Venice school basketball games will be higher this year under action taken by the Venice Board of Education in a meeting last week.

The board agreed to increase the fee from 35 to 50 cents for students and from 15 cents to \$1 for adults.

In other board actions Superintendent John Pier instructed to secure bids for the installation of six electric water coolers in the grade school and to purchase a garbage and trash container in the amount of \$165.

Requisitions approved by the board include the replacement of audio visual equipment at the high school at a cost of \$330, items to be purchased include a tape recorder, slide projector, record player and cord for the tape recorder.

Two calculators at \$75 each will be purchased for the board office and high school. A rental fee of \$408 will be applied to the cost, leaving a balance of \$732 due, Pier said.

A requisition to have 14 typewriters cleaned at Lincoln Technical School at a cost of \$250; and \$500 to provide materials for sewing students at the Lincoln school, in the adult education program, were approved. Included in the project will be the purchase of video tapes costing \$264.

Use of Facilities

Requests were approved for several organizations to use the old and new school gym on several nights during the week.

The band parents will meet the third Wednesday of each month from 7:30 to 10 p.m.; the Young Ladies Club will use the old gym on Mondays and Wednesdays from 6:30 to 8 p.m.; the Young Men from Eagle Acres will use the Lincoln Technical gym on Wednesdays and Thursdays and St. Mark's CYO is to gather in the new gym on Wednesdays and in the old gym on Thursdays for basketball and volleyball practice.

Discount Offered

A letter was read by Supt. Pier that the Fabric Store in Nameoki Village Shopping Center will offer a 10% discount to all Home Economic Students on any items purchased at the store for use in school project.

The Hester Bradley Co. submitted a price of \$314 for a programmer and scanner for the boiler flame safeguard, with an additional \$335 for safety valves. Wiring and installation will be handled by the Dron Electric Co. for \$1,244, to include testing when the work is completed.

Registrations of William Jones, a fifth grade teacher and basketball coach, and Mrs. Rose Cooper, teacher's aid, were accepted. Mrs. Betty Ballentine was hired to replace Mrs. Cooper.

HIT-AND-RUN ACCIDENT

A hit-and-run vehicle backed out of a driveway into the left rear fender of the auto of Norman T. Roy, 2412 Edison Ave., parked in front of his home Thursday.

Howlett Pledges Cost Cutting in Secretary Office

Michael J. Howlett, Democratic candidate for secretary of state, last week pledged to continue the record of economy and efficiency in government he is credited with in nearly 12 years as auditor of public accounts.

The state auditor spoke at a dinner of Washington County Democrats in the American Legion Home in Nashville. He told them his office is doing more work today with fewer employees than before he was elected in 1960.

Measuring by the number of checks written by his office from 1961 to 1971, he said, his workload increased 100% while his staff diminished by 75%.

Cities Staff Increase

Measuring by the number of driver's licenses, title certificates and license plates issued, the workload of the secretary of state office rose 49% while the manpower increased 77%, Howlett said.

"I do not claim in advance that we can save money in the secretary's office on the same scale that we saved it in the auditor's office," said Howlett.

In 1960, I didn't promise we would cut the payroll in the auditor's office and save the taxpayers a fifth of our budget in the first biennium. But after I was elected, we did it.

"I'm not running on a record of promises of what I will do as secretary of state. I'm running on a record of performance in the auditor's office over a 12-year period.

"I do promise that as secretary I will use the same energy,

City Considers Plan to Buy Sign-Making Unit

A proposal by Chief of Police Ronald Velzer that Granite City acquire equipment to make its own street and highway signs under a new marking system adopted by the state has been taken under consideration by city council members. Action on the proposal is expected in Tuesday night's council session.

Velzer told the council in a meeting last night that the city could save from \$2.50 to \$6.50 on each sign by making the signs rather than paying for them to be manufactured elsewhere.

Action on the proposal was withheld at that time to give council members and opportunity to discuss the problem, which confronts municipalities throughout the state, during sessions of the Illinois Municipal League in Chicago during the weekend.

Alderman Gerald Parmley suggested that since Venice and Madison also will be required to replace all of their street signs, it is possible that Granite City could make signs for

administrative experience and sound business principles to save the taxpayers' money that we used successfully in the auditor's office.

"A crucial concern of the people of Illinois is the rise in government costs. The people want tax reform, and even more, they want tax relief."

Howlett said the reason for efficient administration in a public office is to conserve taxpayers' resources for human needs—education, mental health care, better highways, public safety and other needed services.

those communities to help pay for the equipment.

New Signs Larger

According to Velzer, new equipment would be necessary to replace the street department's present sign-making facilities because the present equipment will make signs no larger than two feet square.

He told the council that the Minnesota Mining and Manufacturing Co. of St. Paul, Minn., has quoted the police department a price of \$1,038 on a sign-making unit that will make signs up to 3 by 4 feet.

This would make any sign required under the new program, Velzer said.

The state will require the eventual replacement of every street and highway sign with newly assigned markings that convey a pictorial message rather than a written one. The system has been in use on the campus of Southern Illinois University at Edwardsville for several years.

State Must Comply

"We don't necessarily agree with the new system," Velzer told the aldermen. "But it is a federal program with which the state must comply to be eligible for government grants."

The State Department of Transportation has been installing the new signs throughout the state for the past several months. A number of the new signs have been installed by the state in Granite City on streets that are state highways.

Council members, at Velzer's request, approved the purchase of one of three radar units

Frank Dailey, 61, Dies; Ill 6 Years

Frank Dailey, 61, of 3012 Kirkpatrick Homes, a retired Granite City Steel Co. employee, died of pneumonia at 8:40 a.m. Saturday at St. Elizabeth Hospital. He had been in ill health for six years, but was a patient at the hospital only three hours. Born and reared in Elco, Ill., Mr. Dailey came to Granite City 30 years ago. Prior to retirement in 1965, he was employed 25 years as a switchman at the local steel plant.

He is survived by his wife, Mrs. Marie Dailey; seven daughters, Mrs. James (Shirley) Tuckey, Mrs. Victor (Phyllis) Strubberg and Sheila Varner, all of Granite City; Mrs. Stanley (Pamela) Potts of St. Louis, Ill.; and Avis, Karen and Sharon Dailey, all at home. Two sons, Darren and Roger, both of Granite City; five brothers, Dallas, all of Lester Dailey, both of Tamm, Ill.; Filbert and John Dailey, both of Meadowbrook, Ill.; and James Dailey of Jonesboro, Ill.; four sisters, Mrs. Lillie Smith, Mrs. Robert (Lucy) Smith, Mrs. Ralph (Goldie) Smith and Mrs. William (Hazel) Tinsley, all of Tamm, Ill.; and 14 grandchildren.

Funeral arrangements are given in today's obituary column.

Charge Results from Toll Station Scuffle

Billy Joe Johnson, 32, of Ferguson, Mo., was charged with battery following an altercation at the McKinley bridge toll station at 5:25 p.m. Saturday.

Vernon Brown, 108 Abbott St., Venice, an attendant at the toll booth, told Venice police that Johnson began scuffling with him after giving the attendant a quarter and a nickel to pay the 30-cent toll charge and demanding change for two quarters. In the scuffle, Johnson allegedly knocked eye glasses from Brown's face, damaging the glasses and causing a cut across the toll station attendant's nose. Johnson is to appear for a hearing Oct. 11.

FALSE FIRE CALL

Venice firemen, responding to a false fire alarm at the home of Edgar Woolfork, 1034 Douglas St., Venice, at 4:50 a.m. Sunday, were told by the occupant an acquaintance may have turned in the alarm. He said a Venice woman has summoned police and an ambulance to his home on previous occasions without his knowledge.

25 Visiting Teachers to Study GC School Programs

Twenty-five teachers and administrative personnel from the Vandalia area will visit 17 instructional programs in the Granite City School District which have been cited by state school officials as "exemplary."

Permission for the unusually large contingent of educators to visit here Friday, Oct. 6, was granted last week by the Granite City Board of Education. "We are proud for the district to have this request made," Supt. of Schools B. J. Davis commented to the board.

James Staff, regional superintendent of schools in Vandalia, said the 17 programs have been identified by the Illinois Office of Public Instruction (OPI) as exemplary instructional programs. The administrator noted by letter the Vandalia School District normally limits the number of visitors to 15 per district, but requested extending the delegation to 25 educators in the case of Granite City, because "a variety of programs and classes in your district have been recommended many times by OPI, the Superintendent of the Educational Service Region, Madison County, and others."

Programs to Be Visited

Among the programs in Granite City the visiting educators have asked to observe, are: Elementary physical education; Title I Pre-School Classes; Learning Centers, kindergarten—6th grade, math and reading; Political Science Curriculum (Gifted) Grades 4 and 6; Individualized Math Instruction—lower intermediate; Continuous progress, kindergarten—6th grade; Team Teaching, intermediate grades; Team

Teaching and Modular Scheduling in Junior High Language Arts and Social Studies.

"World of Work" Construction; Time/Space/Matter Science, Junior High Schools; Consumer Education; Industrial Arts, Junior High Schools; Vocational Education; Modular Courses in Speech/Drama.

Band, Choral, String Programs at the Junior and Senior High Levels; Art, Secondary; and the Administrative Center. Supt. Davis said arrangements are being made by Owen E. Humphrey, curriculum coordinator, to receive the visitors at the Board of Education Offices at 9:30 a.m. Oct. 6.

Several key personnel from the Granite City district will conduct a brief orientation session and help to direct the visitors to the centers in which they have expressed an interest, the administrator advised the board.

Accept Resignation

In other action Monday evening, the board accepted with regret the resignation of Calvin Penrod, a custodian with the school district the past eight years, effective immediately, and a request for retirement by Merrill Lindsey, a custodian at Central Junior High School, beginning Dec. 31.

A leave of absence for medical reasons was approved for C. Ruth Bunch, a teacher aide at Lake Elementary School. The board agreed to settle for \$108.90, a tax objection suit brought by CM&O Railroad in 1968. The sum represents half of the original amount sought. School Board Attorney William E. Schooley and Victor G. Anderson, comptroller, were authorized to attend a pre-trial conference and effect a settlement on tax objections filed in Madison County for the year 1970.

The conferences are scheduled next Wednesday and Thursday in the Board of Supervisors Room at the Madison County Courthouse. A total of \$1,176 is being sought by the local district from railroads which filed objections to taxes levied. Board Members George Moore and Donald Stucke were granted permission to attend a meeting of the Large District Council, Illinois Association of School Boards, in Springfield, Oct. 13-14.

Ice Skate 'Swap Shop' Sunday at Park Rink

In preparation for the 1972-73 ice skating season at the Wilson Park rink, the annual ice skate "Swap Shop" is scheduled from 2 to 4 p.m. Sunday at the rink pavilion.

Public skating sessions will start Sunday, Oct. 8, providing extremely warm temperatures do not disrupt the ice-making process, Harold Brown, Granite City Park District superintendent, said today.

Local youngsters and adults attend the swap shop each fall for the purpose of exchanging, buying and selling outgrown, used or discarded ice skates. A brisk business usually is noted in sizes fitting younger skaters who have outgrown their skates since the previous skating season. Tables will be set up in the warming room area at the rink to accommodate individuals with

Also approved was the purchase of two tickets to a series of four dinner meetings sponsored by the Illinois Manufacturers Association, at a total cost of \$76.

Bills approved totaled \$37,872, educational fund; \$21,117, building fund; \$754, joint agreement fund; \$518,313, bond and interest fund; \$217,352, new construction fund; and \$29,527, cafeteria.

The Granite City High School Activity Fund showed a balance of \$31,944, with receipts of \$600 and disbursements of \$349 during August.

Price Calls for Repayment of Foreign Debts

Cong. Melvin Price (D-East St. Louis) has called for repayment of all outstanding debts to the United States by foreign countries.

"A number of nations of the world have outstanding debts to the United States which are estimated to total approximately \$46 billion, and the American people should not be made to subsidize these debts," said Cong. Price.

"The domestic economy has required reductions in needed expenditures and development of new sources of income," the Illinois lawmaker continued. "Deficits in the balance of trade and the balance of payments have continued for years now."

"The resolution I am sponsoring would make it the sense of Congress that it shall be the policy of the United States to require repayment of the long-standing debts which are delinquent in nature," said Price.

"The Department of the Treasury would submit to Congress within 90 days of passage of this resolution a list and report on the extent of such indebtedness on the part of foreign nations," said Price.

"Immediately after the filing of this report, the Treasury Department should begin consultations with the foreign government involved for the purpose of making arrangements for the prompt repayment of those long-standing debts which are delinquent," he added.

"These debts will drag out for decades unless we initiate definite collection arrangements," Price commented. "\$45 billion is a lot of money from anyone's viewpoint, and it is time that we put it to good use here at home."

That's what auto loanin' is all about

Let's see. You've come to the conclusion that you need and want a good new car. So you happily engage in picking out just the car you want and getting the price that's right and fair. Now then, there's only 'ie I'll ole problem of adding it to your budget. THAT! seems to be the impasse between many a person and new car getting together. Well, you could get an auto improvement loan. Heck, new tires, engine overhaul, few chrome strips and you'll be set for another year if the muffler holds up and

that tail pipe doesn't... doesn't it seem more sensible to ease your budget and car problem with a Fastbank Auto Loan? Here at your Move Ahead Bank we've originated the Fastbank Auto Loan—that auto loan we make easiest to get, fastest to get, simplest to pay for. Come see us and you'll see. We believe people moving ahead is what banking's all about—and you'll know why we say that Fastbank is what auto loanin' is all about.

Eureka Offsets Runs by Johnson, Stanley; Grid Trojans Bow 15-12

By ROY JACKSON
MHS Football Writer

The fighting Trojans led 12-7 as late as the third quarter of their home game at Madison High School Saturday afternoon. But the Wildcats of Eureka, Mo., rallied and defeated them 15-12.

The Wildcats obtained a 7-0 lead during the first quarter. End Randy McMahon passed the ball to Running Back Rick Frazier, who scored a touchdown on the 15-yard gain. McMahon kicked for the extra point.

Madison got nowhere with the ball until the Trojans got it a second time after Eureka's TD. Running Back Charlie Johnson pounded out 56 yards for a touchdown gallop. The extra point play, a run, failed and it was still Eureka's game by one point, 7-6.

As the second quarter began, Eureka was anxious to garner a bigger lead. But it was the Trojans who took the lead for themselves. End Chris Stanley broke loose and completed a 65-yard touchdown run.

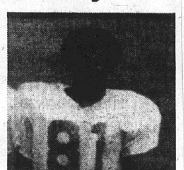

The extra point play, again a run, was stopped short of the goal. The score at the half remained Madison 12, Eureka 7.

During the third period, Fullback Eric Darrough scored a touchdown from the one-yard line for Eureka, making the score 13-12. The extra point kick failed, and the Trojans retained a chance for a victory if they could score either a field goal or a touchdown.

Worst came to worst and during the fourth quarter the Trojans were pushed back until their ball handler was finally downed behind his own goal line. The runner being tackled in the end zone constituted a two-point safety, making the score 15-12 for Eureka.

Madison had the ball when the referee's whistle heralded the end of the game; the clock had stopped working at half-time.

Coach Al Vonder Haar commented, "Intense pressure was the first thing that cost us the game."

—and then the fundamentals. Everything that hurt us was fundamental. "If you can't carry out the basic fundamentals plays, it's difficult to do anything. We also had players jumping around out there who didn't keep track of what they were doing."

In other words (those of Washington Redskins Coach George Allen), "Execution of plays—and especially execution of blocking and tackling fundamentals—was poor."

Punt-Pass-Kick Event Set Saturday for Boys

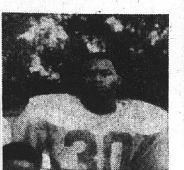

Boys between the ages of 8 and 13 may register this week for the annual "Punt, Pass and Kick Contest" to be staged at 1:30 p.m. Saturday at the Granite City High School athletic field.

Registration is taking place in advance at the B. E. Hohl Ford Motor Co., 1837 Madison Ave. Youngsters also may register, accompanied by a parent or guardian, at the high school stadium on the day of competition.

The local contest, to be supervised by the Granite City Jaycees, is the prelude to district, area, division and national competition. Three trophies will be awarded locally in each of the six age groups. Owen Ross and Jim Thrane, Jaycee project chairmen, reported.

Each boy will compete in three categories—punting, passing and kicking. No special gear such as football shoes or boots should be worn at any level of competition. Thrane said, noting that punting and kicking barefooted is not permitted.

Tennis shoes are recommended for all segments of the contest. The project directors said. They pointed out this type

mentals—means everything." Last year, Madison's game with Eureka was one of the few Trojans won. Coach Vonder Haar and the MHS football players are hopeful that perhaps this time it will be one of the few they lose.

The season record now stands at 1-1, including the 14-12 conquest of Central High of St. Louis in a road game Sept. 15. Next on the Trojans' schedule is a game at Edwardsville at 4 p.m. Friday.

Game Granite Cityans Tie Game Twice But Panthers Win, 28-20

By SCOTT HARRISON
GCHS Football Writer

In a game featured by long runs here Friday night, the Granite City Warriors lost their first home game of the season to the O'Fallon, Ill., Panthers, 28-20.

The wet and rainy night hampered the performance and spirit of the Warriors in their initial start before a GCHS crowd in their first 1972 game. In the first half, the Granite Cityans had come from behind to triumph 8-7 at Riverview Gardens.

Halfback Jerry Winkler was the powerhouse for O'Fallon. He ran the ball for first downs in the first series of plays and, after a fumble by Granite City, Winkler carried the ball over for a touchdown on a two-yard run.

Going for the two points, Quarterback Dave Daniels carried the ball himself, making the score 8-0, which didn't change until the second quarter.

Halfback Dale Williams on a long sprint carried the ball 81 yards for a Granite City touchdown at the beginning of the second quarter. An incomplete two-point run attempt was executed, leaving the scoreboard reading 8-6 in O'Fallon's favor.

With the GCHS kickoff to the O'Fallon 20-yard line, Panther Gary Kombrink ran the ball back 80 yards to score and put his team ahead 14-6. He is a cousin of the Kombrink of Belleville West and Missouri U. gridiron fame.

O'Fallon failed in another two-point attempt. A pass. Later in the quarter, O'Fallon punted to Granite City. A five-yard penalty was called against the Warriors. A completed pass to Split End Mike Martinez set the ball on the O'Fallon 37-yard line.

Quarterback Dave Dombek handed off to Halfback Jon Stagner, who cut through the line, driving

O'FALLON PROGRESS HALTED. An O'Fallon runner (far right) breaks loose and picks up yardage against the Granite City High School Warriors Friday evening in the opening GCHS game at home. Warrior Fullback Brad Weiss (44) on the right stops the runner. No. 36 of O'Fallon is Fullback Ron Meyers. The first conference game for the Warriors will be at Edwardsville at 4 p.m. Friday.

hard downfield. Floyd Brawley assisted Stagner with beautiful downfield blocking, and the touchdown run put six more points on the scoreboard for the host team.

Stagner carried the ball over, going through the line, for two more points. Tying the score at the end of the first half at 14-14.

The Granite City High School marching band dedicated the football game to Lawrence C. McCauley, retired high school principal.

Granite City kicked to O'Fallon in the third quarter. The Panthers started from their 21-yard line but in three running plays moved the ball to the GCHS 38.

Halfback Mike Bova scored on a fourth down play, speeding the 38 yards to the goal. An attempt for another two points, by a running play, failed.

O'Fallon kicked off to Granite City and Dale Williams ran the ball back to the Warriors' 35. As Stagner carried the ball, a penalty for grabbing a face mask was called against the Panthers.

In four running plays, the Warriors pushed to a first down at O'Fallon's 32.

An accurate pass, just leading the intended receiver, Mike Martinez, was thrown by Quarterback Dombek. Martinez hauled in the pass and sped across the goal to provide Granite City with another touchdown.

With a penalty flag thrown on the Warriors' kick attempt, the extra point

attempt was no good and the score stood at 20-20 in the middle of the third quarter.

The Warrior offensive team regained the ball and tried hard for the first down but was forced to punt.

With the ball at O'Fallon's 35, Kombrink ran up the middle, breaking Warrior tackles to score for the Panthers. A good two-yard play, a run by Bova, made the score 28-20 in O'Fallon's favor with a minute and 13 seconds left in the third quarter.

Another punt by the Warriors enabled the Panthers to start moving again.

In a two series of downs, they moved the ball to their 37. Warrior Doug Griffith intercepted a Panther pass, but it was in vain. Granite City was penalized for pass interference.

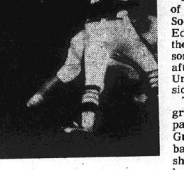

O'Fallon was given possession on the Warrior 46 and pushed toward the goal, but a fumble was recovered by Granite City at the 20.

Stagner ran the ball for two first downs. With four minutes and 51 seconds left in the game, there was still hope of a tie game. A completed pass to Martinez got the Warriors another first down.

Dombek next passed to Williams and then Martinez, setting the ball on the 49-yard line. After an incomplete pass, Stagner attempted to carry for a first down but missed it by inches.

With 58 seconds left in the game, Winkler ran six times for O'Fallon. Then quarterback Daniels kept the ball on the last two plays, waiting for the clock to tick off, and the Panthers had defeated the Warriors 28-20.

With one win and one loss, Coach Wayne Williams' Warriors hope to bounce back at the expense of Edwardsville at 8 p.m. Friday in both teams' first Southwestern Conference game of 1972. The contest will be played at Edwardsville.

O'FALLON PROGRESS HALTED. An O'Fallon runner (far right) breaks loose and picks up yardage against the Granite City High School Warriors Friday evening in the opening GCHS game at home. Warrior Fullback Brad Weiss (44) on the right stops the runner. No. 36 of O'Fallon is Fullback Ron Meyers. The first conference game for the Warriors will be at Edwardsville at 4 p.m. Friday.

Soccer Cougars Maul Parkside 6-0

It was an almost equal mix of offense and defense for Southern Illinois University at Edwardsville's soccer team as the Cougars opened their season at Kenosha, Wis., Saturday afternoon by romping over the University of Wisconsin, Parkside Rangers, 6-0.

The first 32 minutes was a grim defensive struggle on the part of Wisconsin as Coach Bob Guelker's SIUE offense battered the Ranger goal with 20 shots on goal while holding the losers to only six.

Then, just in 1:36 minutes time, Chris Carenza broke the game open with two goals. His first came at 32:24 on an assist by Bill Renaud and his second at 33:20 on a clever pass from freshman Steve Cacciatore.

In the first half, too, the Cougars' domination can also be gauged by their advantage in corner kicks: SIUE had seven to the Rangers' none. Fagers' game it was the Cougars 17-0.

Leading 2-0 going into the second half, the Cougars quickly got on the board as three of SIUE's outstanding freshmen

crop, John Stromlau, Greg Modde (Moody) and Cacciatore combined to score three goals in about 10 minutes. At 4:49 into the second half, Stromlau took a pass from Modde and slammed it past Parkside's goalie, Tom Thomson, who finished the game in a state of shock. At 10:45, Modde took the ball in unassisted to make the score 4-0. Then, with 15:36 elapsed, Modde took a neat pass off from Cacciatore and made it 5-0 for the Cougars. With less than a minute remaining in the final half (44:13), Tim Putnam scored unassisted.

For the entire game, SIUE outshot Wisconsin 55-7. But, defensively, the Cougar stone wall of Denny Driscoll, Kevin Howe, Vince Fassi, Putnam and Renaud was nothing less than brilliant; they held Parkside to just one shot on goal for 45 minutes.

The Cougars will play their next game in Kansas City at 2 p.m. Saturday when they take on the Rockhurst College Hawks.

headed the ball into the net to tie the score.

Dake passed to Randy Worthen in front of the net three minutes later and Worthen directed the ball past the Lion goalie to give Granite City a 3-2 lead.

With four minutes remaining, Hermann made his third Lion point, for the tie.

Coach John Selmeyer commented later, "I was very proud of the team, being down 2-0 and fighting back against St. John, one of the toughest teams around."

The Warriors will travel to Cherokee Park in St. Louis for a variety match against DeSales at 4 p.m. Thursday. Granite City will host the Jacksonville varsity and junior varsity teams Saturday at Wilson Park with the JV game slated for 12:30 p.m. and the varsity tangle at 2 p.m.

Race Stopped By Rain Here

Rain put a halt to racing at the Tri-City Speedway Friday night and the double-header event, with super-sprint and hobby cars, was rescheduled for Friday night, Oct. 6, 8 p.m.

One of the most promising lineups of the year was on hand Friday when the rain began to fall. Among those who completed hot laps and were preparing for qualifications were Jerry Cantfield of Argenta, Bill Vitz of Sedalia, Mo., Wil Spalding of Pontoon Beach, Jimmy Mough of Springfield and 20 other top drivers. All indicated they plan to return Oct. 6.

There will be no racing this Friday night but a special United States Auto Club (USAC) event is planned for Saturday.

Among the early entries which have been received are Larry Dickson, Lee Kunzman, Arnie Knepper, and several other Indianapolis 500 drivers. Time-trials will begin at 6:30 p.m. Saturday with racing beginning at 8 p.m.

The GCHS cross country team will compete in a field of schools Saturday at the Edwardsville Invitational run.

Hazelwood won on the three-mile hill track, followed by Lebanon, Alton and Belleville West.

Lebanon's Craig Virgin was first with 13:36. Alton Davis of Hazelwood was second in 14:39 and Warrior Howie Bryant was third in 14:44.

Other Warrior harriers finishing in the field of 128 runners were Dewayne Terry 24th, 15:33; Mike Adams 36th, 16:11; Phil Shands 43rd, 16:23; and Jim Hall 9th, 16:50.

GCHS will run at Cahokia at 4:30 p.m. Tuesday.

WHAT EVERY GOOD MEDICINE CHEST SHOULD HAVE

It is a good idea to have a medicine chest that's separate from your bathroom cabinet. This makes it easy to keep potent drugs and poisons out of reach of children. Here is a good basic list for a well-stocked medicine chest:

- absorbent cotton
- adhesive tape
- aspirin
- atomizer
- bicarbonate of soda
- oil cream
- calamine
- epson salts
- eye cup
- fever thermometer
- gauze bandage
- iodine
- mineral oil
- nasal drops
- ointment for burns
- petroleum jelly
- rubbing alcohol
- scissors and tweezers
- sprits of ammonia
- throat swabs
- tonic depressors

Warrior No. 22, Jon Stagner, halfback, on ground at right in dark jersey, is stopped on the 30-yard-line by the Panthers Friday night on the Granite City High School football field in the first home game of the season. The Warriors lost to the O'Fallon, Ill., Panthers 28-20. GCHS players include No. 20, End Mike Martinez, while No. 24 of O'Fallon is Halfback Mike Bova.

Parks to Play Ball at LCCC

Williams Parks, son of Mr. and Mrs. Clifford Parks of Granite City, is one of seven students to sign letters of intent to participate in "Buck" baseball this fall at Lewis & Clark Community College.

Parks, 18, is 5 feet, 11 inches, and 185 pounds. He plays outfield. He received three varsity letters under Coach Gale Garbe at Granite City High School and played on the All Metro East team in his junior and senior years. He also played soccer one year.

Others signing letters were Stan Dezort of Worden, Keith Hattery of Bethalto, Gregory Jones of Alton, Dennis McGee of Granite City, Mike Ronald of Wood River and Mark Scroggins of East Alton.

GC Harriers, Bryant Continue Merry Ways

The Granite City High School harriers won another cross-country meet here Thursday as they downed Edwardsville 25-31; and speedster Howe Bryant broke the school record again on the 2.8-mile local course in 14:17.

Bryant had set a 14:47 record mark here earlier this season. Dewayne Terry, a promising sophomore, came in second with a time of 15:24. Other harriers finishing were Mike Adams 3rd, 15:36; Jim

Pass, Runs in 30-0 Victory by Prather

Prather Junior High School ninth graders blanked East Alton 30-0 Thursday at Prather, with Keith Moran scoring twice on a one-yard run in the first period and on a 15-yard sprint in the second quarter.

Frank Baranica plunged over from the one-yard-line in the third period, and in the final quarter Thad Lakatos scored on a 35-yard pass from Moran. A run by Allen Benko and two runs by Randy Keeton provided two-point conversions as Prather powered its way to 8-0, 16-0 and 24-0 quarter leads.

Al Sonnenberg's eleven next will visit Belleville West at 10 a.m. Saturday.

Madison Harriers Top Venice in First Meet

The Madison High School cross-country team opened its season at home Friday by defeating the Venice harriers 15-50.

Due to a thundershower, the meet was cut down to a 1.7-mile race on the flat Madison track. Madison took the first ten spots with a tie for first between Trojans Kevin Jackson and Willie Mays, each with a time of 10 minutes flat.

Other Trojans finishing were Mike Walker in 10:26, Mike Turner 10:27; Tyrone Burt 10:35; Harvey Lenoir 10:40; Elroy Daffin 10:41; Rudolph Bradley 11:15; Jerry Verba 11:17 and Michael Mays 11:21.

The Trojans will have their second meet on Oct. 2 when they host Alton Marquette at 4 p.m.

Venice harriers running against Madison were Clark Ray, Bobby Killion, James Turner, Reggie Gardner, Larry

VANISHING LANDMARK is the old First National Bank building on the "wedge" at Niedringhaus Avenue and Cleveland Boulevard. The brick structure was built in 1900. In contrast to the present area, hitching posts seen along the building at left in this view are located in positions similar to those of parking meters which had to be removed to permit the demolition. After the First National Bank moved out of the building, the offices were occupied by the Granite City, Madison & Venice Water Co., and later by Co-Ordinated Youth Services.

Nursery Rhyme Mural Adds Another Dimension to New Johnson School

By VALERIE EVENEDEN
Press-Record Staff Writer

The colorful and attractively designed interior of the new Russell D. Johnson Elementary School has an added dimension today with completion of a large imaginative mural near the front entrance.

Vibrant greens, reds, blues and yellows used in the mural harmonize pleasantly with the hallway's white and tan ceramic tile floor and vivid yellow walls and offers the child a happy welcome upon arriving at school.

The artist is Keith Rabey, 18, of 1704 Edison Ave. Until graduation in June, he is an art major and a straight "A" student at Granite City High School.

Now that the painting is finished, the young man is going to concentrate on finding a job—"something in advertising or a related field," he said.

Wanted the Job

For the past few months Rabey knew the mural was his particular task, so he withheld looking for work because, as he relates, "I wanted to do it for the new school."

Rabey first sketched a multi-ple theme design focusing on well-known characters from nursery rhymes and fairy tales. The overall tone of the mural is geared to the age level of children who attend Johnson School from the Pied Piper of Hamelin to Little Red Riding Hood.

To save time after the original sketches were made, the artist used projector equipment to transfer the scenes onto the bright yellow background wall.

He then began the painstaking task of blending rich shades of latex paint to coordinate with the theme sketches—each telling its own individual story.

Large Scale Painting

The eye-catching mural is 16 feet long by 7 feet high.

Rabey started the painting process last Tuesday, the delight of the pupils passing through the hallway. On Thursday, the hot, humid weather turned considerably cooler and the 70-degree temperature helped speed the work along.

The Russell D. Johnson School, which will be publicly dedicated Sunday, Oct. 15, has

many bright and unique features. Its open space concept of teaching is conducted in cheerful surroundings with attractive furniture and color schemes.

Rabey's contribution adds one more dimension to an exciting building—one far removed from the average looking school of earlier years.

Madison School Buildings Granted County Approval

The six school buildings in Madison District 12 have been approved for the 1972-73 school year by the office of Wilbur R. L. Trimpe, superintendent of educational service region, school board members were informed Thursday night.

Approval was given after a visitation by a representative of Trimpe's office. Several suggestions made by the representative on repairs and cleaning were initiated and have been completed, Fred Riddle, school superintendent, told the board.

The board was informed that the district has been granted an extension of time until Nov. 15 in which to complete the plans with Robert A. Lyons, special assistant to the superintendent of equal educational opportunity of the state Office of the Superintendent of Public Instruction.

The extension was granted to allow time for completion of a computer study now underway.

Schedule Approved

A letter from Richard N. Small, director of recognition supervision of the state Office of Public Instruction, was received by the board. It was read informing the board that the split shift schedule for Madison Junior High School this year has been approved by the state.

Another letter, thanking the board for "the comprehensive way" in which an accreditation study was completed last year, was read from Lowell B. Fisher of the North Central Association of College and Secondary Schools.

The board also was informed that the Pay Board in Washington, D. C. has declined to reconsider the issue of retroactive increases in pay for district teachers for the period Aug. 19, 1971, through Nov. 13, 1971.

In other business the board:

Agreed to continue the School Principals' Association meeting at Arlington Heights Oct. 15 to 18.

Agreed to continue the School Principals' Association meeting at Arlington Heights Oct. 15 to 18.

Approved the placement of 10 special education students in classes in other districts, including two at Lake School and two at Washington School in Granite City, two at St. John's School in Edwardsville, three in Venice and one in Roxana.

Was informed that hearings on tax objections will be held from 9 a.m. to noon Wednesday, Sept. 27, at the supervisor's room of the County Courthouse at Edwardsville.

Kelley to Head Illinois Chamber

Wendell J. Kelley, president of Illinois Power Co., has been nominated to serve as chairman of the board of the 200-member Illinois State Chamber of Commerce for the coming year.

Officer nominees for 1973 were announced by T. W. Cheney, chairman of the State Chamber's nominating committee, and president of Modern Women of America, Rock Island, who said that nomination is tantamount to election. The election of officers will take place during the statewide business organization's 54th annual meeting Oct. 5 and 6 in Chicago's Palmer House.

Kelley, a Decatur resident, will succeed Ralph I. Claussen, Peoria, as the State Chamber's chief voluntary officer. Claussen, vice-president and general production manager of Hiram Walker & Sons, Inc., has led the Chamber for the past two years.

To serve with Kelley, three new district vice-chairmen were nominated and three renominated.

The six vice chairmen, each representing a different region of the state, were named for one-year terms. They are: John P. Clarke, publisher, Illinois State Journal and Register, Springfield (renominated); Theodore F. Gundlach, general manager, J. M. J. Industries, Inc., Belleville (first term); Clifford L. Peterson, senior vice president, Deere & Co., Moline (first term);

Howard O. Warner, executive vice president, Inman News Companies, Inc., Chicago (renominated).

Nominated to serve his first term as treasurer was Lynn H. Miller, senior vice president, The Northern Trust Co., Chicago. Kelley has been associated with Illinois Power since 1949. When he received a bachelor of science degree in electrical engineering from the University of Illinois. Starting as an assistant engineer, he moved up through the ranks and was elected president in 1966. A member of the State Chamber's board of directors since 1969, Kelley has long been active in numerous civic, charitable and professional organizations.

CHECK FOR \$100 is presented Anna Ensor, 2815 Warren Ave., winner in a weekly contest sponsored by downtown Granite City merchants. Making the presentation is Russ Walker of Walker's Jewelry.

Regional Fire Training School Oct. 7-8 at SIUE

Paid and volunteer firemen in the southern third of the state will attend a Southern Illinois Regional Fire School Oct. 7-8 at the Fireman's Training section of the University of Illinois, Division of University Extension.

Chief Willford J. Eckert, director, U. of I. Fireman's Training, said the classes will be conducted at Peck Building on the Southern Illinois University's Edwardsville campus.

Eckert and Chief James Ray, president, Madison County Firemen's Association, will open the school at 9:30 a.m. Oct. 7. Frank A. McGurn Jr., Oak Park, National Automatic Sprinkler and Fire Control Association, will speak.

"Fire Department Operation of Sprinkler Systems." A two-hour course will be held 1-4 p.m. Oct. 7 and repeated 9 a.m.-12 noon Oct. 8, to give participants a chance to attend two. They are "Evacuation," Room 1402, instructed by Capt. Arthur T. Holtz, Elmhurst; and "Ladders," Room 302, with Prof. Gerald E. Montgold and Howard Eskridge, U. of I. Fireman's Training, instructors.

A six-hour course on "Rescue," conducted by O. E. Streep, Emergency Squad Institute, Normal, will be held in Room 303.

In addition, a special six-hour class, "Pump Operations," will be held in Room 307 on the afternoon of Oct. 7, and features both inside and outside operations on the morning of Oct. 8 at LeClair Lake, Edwardsville, with Warren Little, Insurance Services Office, Belleville, and Jack Manning, chief of apparatus, St. Louis Fire Department, as instructors.

Demonstrations are scheduled 1:30-3:30 p.m. Oct. 8, at a place to be announced. Chief Eckert said they will include gasoline truck shut-off nozzles; LP gas fires; new valves; flammable liquids; jet axe; tempered glass door; explosives and power technique devices—and "tricks of the trade."

All members of the fire service are invited to attend. Pre-enrollment is not required, and no fee will be charged; however, registration will be held 8:30-9:30 a.m. Oct. 7 and 8:30-9 a.m. Oct. 8. Sept. 30 Deadline for Same License Numbers

Secretary of State John W. Lewis today reminded motorists who wish to retain their present license numbers for 1973 that the deadline for having their applications in the Secretary of State's office is Sept. 30.

Secretary Lewis warned that mailing the application on Sept. 30 does not meet the requirement of the reassignment section of the law.

The law gives motorists the legal right to retain their license number "provided his application for reassignment is received in the office of the Secretary of State on or before Sept. 30 of the current year," he pointed out.

Lewis said the earlier applications are received, the sooner the plates will be delivered to the applicants, adding that all plates representing reassignments and numbers assigned in response to requests will be delivered by Dec. 1.

Sidewalks Near Johnson School Are Being Urged

A need for sidewalks in the immediate vicinity of the new Russell D. Johnson Elementary School was brought to the attention of the Granite City School Board last week.

Supt. of Schools B. J. Davis noted that the lack of sidewalks could prove hazardous, especially to smaller children or in rainy weather—"plus the fact that the street is not in the best of repair."

Board members authorized him to contact city officials to determine "the best direction to take in solving the problem." Complaints from parents of pupils attending the school have been received by the City Council, it was learned.

The area of primary concern leads from the new school property along Norwood Drive, near Melrose Avenue, roughly a two-block stretch.

Information provided by Alderman R. E. Robertson noted that the City Council approved a low bid last December by G. H. Sternberg & Co. for street improvements in that area.

In a subsequent letter dated April 20, Robert Kronst, district highway engineer, said the project had not been submitted to the office for approval. He further advised that the contract had not been executed nor submitted to the state for approval of fuel tax funding to his knowledge.

In other actions, the board agreed to provide a non-teaching aide to assist a handicapped pupil attending Niedringhaus School. The decision was made after board members heard an evaluation report from a special education official with the Office of the Superintendent of Public Instruction.

Approved were contracts with the Granite City School of Beauty Culture and Joseph's Beauty School for extension courses in connection with high school vocational classes.

Contract agreements with seven non-certificated staff members showing 5 1/2% increases, basically in wage hikes, were approved and signed.

Also approved was a cooperative venture with the Venice School District which will allow four Venice High School students to join Granite City pupils enrolled in a health occupation vocational course at St. Elizabeth Hospital.

Participation by the Venice students will take place on a prorated cost basis and includes only the hospital training portion of the course. Academic subjects will be taught at the Venice trainees' own school.

Canal Freight Moves Toward Record

Freight tonnage shipped through the Chain of Rocks Locks and Canal in August was the second highest ever recorded here for any one month and was only 3,163 tons less than the record set in May.

A total of 5,427,612 tons were shipped through the canal last month, slightly below the record of 5,430,775 tons in May but exceeding the 5,414,548 tons in July, which previously was the second highest ever recorded in one month.

The tonnage in August was bolstered by a record 2,454,100 tons of grain which were shipped downriver, while 37,200 tons went upriver.

The grain shipments, primarily wheat at this time, may be expected to increase as corn and soybean shipments start later this year, shippers predict.

Total tonnage in the first eight months of this year, 37,181,383 tons, is more than 5,000,000 tons higher than shipments in the same period of last year, 32,179,918 tons.

In 1970, a record year for the locks in which 30,747,918 tons were recorded for 12 months, the total for the first eight months was 32,893,288 tons, indicating that this year likely will set an all-time record for freight shipments.

Vessel Movements Down—The numbers of all types of vessels passing through the locks in August declined from 181,383 tons, is more than 5,000,000 tons higher than shipments in the same period of last year, 32,179,918 tons.

the number in July, with the exception of tow boats which increased from 1,011 to 1,062, but lockages for the year, through August, are greater than in the same period of 1971, by 7,440 to 4,495.

Total commercial tonnage moving upriver in August was 2,385,845 tons and 3,042,770 tons moved downriver.

Freight shipments included: petroleum products, 645,690 tons upriver, 221,560 tons downriver; grain, 37,200 up, 2,454,100 down; coal, 729,400 up, 13,600 down; cement, sand and gravel, 28,100 up, 66,450 down; sulphur, 13,000 up, 12,000 down; miscellaneous commodities, 528,336 up, 113,420 down; iron and steel products 27,380 up, 89,800 down, and chemicals, 368,736 up, 70,450 down.

Gateway Arch Attracting Record Crowd of Visitors

Ivan D. Parker, superintendent of the Jefferson National Expansion Memorial, St. Louis, reports that the fame of the St. Louis Gateway Arch is constantly attracting more visitors. According to tabulations taken at the Arch between Jan. 1, 1972, and Aug. 31, 1972—2,101,622 persons have visited the Arch, approximately one million more persons compared to figures for the same period in 1971.

Guest book registration revealed that for the first week in September there were visitors from 21 foreign countries.

The special programs under the Gateway Arch and the Old Courthouse during this centennial year for national parks has added to the increase in attendance. The living history rooms in the Old Courthouse, which include a newly-opened fur trading post, a weaving room, quilting room, courtroom, theater and daily showing of the motion picture on the Arch construction, have been of special interest.

Another exhibit room on environmental education opened Sept. 16. It includes an environmental education library; the library is open to the public for reference only. Publications and printed matter cannot be borrowed or removed from the library.

Late September Decision—Reseed Or Fertilize Lawn

By WAYNE B. SIEFERT
Area Extension Adviser—Ornamental Horticulture

Now is the time to decide if your lawn needs reseeding or fertilizing.

Reseeding is necessary when large areas of the lawn are completely brown or appear as solid patches of crabgrass and knotweed. You can make your own survey by looking for blades of bluegrass above the old cut.

While crabgrass and knotweed are beginning to go to seed, bluegrass is making a spurt of growth. An even scattering of bluegrass will respond to fall fertilizing to become a thick turf by spring.

Large brown spots or plate sized spots of solid weeds should be reseeded. Seed bluegrass in open areas and red fescue in shade areas. New varieties of bluegrass like Pyking and Penn Star are worth the extra money because both have resistance to several turf diseases.

Lightly reseed the bare spots in late September. Fall rains and the natural mulch from clippings and dying weeds provide a natural combination for seed germination.

Thatch in a lawn will prevent seed germination. If you can pick up layers of dead grass and roots, you have a thatch problem. Spiking or dethatching is necessary to get the seed down to the soil.

Early fall is an ideal time to settle a grudge with dandelions in your lawn.

One application of 2-4-D in late September will control both germinating seedlings and existing dandelions to produce a weed-free turf. Fall fertilizer and cool weather will stimulate surviving bluegrass to quickly spread into these bare spots and prevent new weeds from getting started.

Clover and henbit are easily controlled by adding silvex to your spray mixture, or buying a mixture of the two. One application should give you a clean sweep.

If you find 2-4-D a problem because of wind drift to nearby flowers and vegetables try a granular weed killer or a combination fertilizer and weed killer. Both the granular and the amine (low volatile) form are available at garden stores and nurseries.

Home Buying Is Easier With Video Tape Showing

A new program to save home buyers many hours of touring prospective homes will be initiated this weekend by Sobol Realty Co., 2124 Ponton Road.

The new concept in home buying allows shoppers to view homes for sale on a video tape unit and then visit only those of interest to them.

John Sobol, owner of the agency, said that all homes listed with his agency may be viewed on a video tape screen which shows interior and exterior views as well as the neighborhood around each home.

Each home presentation includes an audio presentation describing the house and its features.

"It is just like watching television," Sobol stated as he described the concept.

"All homes are grouped according to price ranges so a prospective buyer needs only to indicate in what price range he is searching. He can sit down and view all of the homes in the price range listed with our agency," the realtor said.

"After viewing the taped presentation, each home shopper can then visit only those homes which appealed to him, thus saving hours of traveling to and touring many homes which would not be of interest to him," Sobol continued.

He indicated the procedure also is more convenient for the seller in that more persons view the home, although fewer actually tour the unit.

Sobol said that although the tapes include only homes listed with his agency now, he plans to eventually expand the service to include all homes for sale through the Multiple Listing Service, of which his agency is a member.

A tip on cutting your heating costs:

A LITTLE CLEANING SAVES A LOT OF MONEY

It's worth a little effort to keep all elements of your heating system clean. You'll save on fuel bills and enjoy safe, trouble-free heating. Here are a few check points...

1. With a circulating warm air furnace, clean heat exchangers and burners frequently.
2. Clean or replace furnace filters frequently.
3. Clean lint regularly from hot water or steam radiators.
4. Flush the low water cut-off of a steam boiler once a week until water runs clear.
5. Clean lint and other debris from registers or electric heat baseboard panels.
6. Blowers and blower motors should be cleaned and oiled sparingly at regular intervals. Make sure the blower belt is tight and not worn.
7. Make sure the chimney is free of any debris. Check the chimney by placing a lighted match under the diverter, at the connection of the furnace exhaust pipe. If the flame blows out or downward, shut off the furnace until the chimney is cleaned.

In addition, make these checks to increase heating efficiency...

8. Weatherstrip all doors and windows to prevent heat loss.
9. Storm sash and storm doors save money on fuel bills. Or cover doors and windows with clear plastic.
10. You can be comfortable at lower temperatures by raising the humidity. Use an electric humidifier or water containers on registers or radiators.
11. Thermostat should be on an inside wall, away from sources of heat such as registers or lamps.

Police Study Need of Own Major Case Unit

Law enforcement units in the Illinois metropolitan area of Madison, St. Clair and Monroe Counties may withdraw from participation in the St. Louis area Major Case Squad and form their own squad of officers if a survey indicates it is expedient to do so.

Chalko Chief of Police Meari Justus heads a committee of Illinois area officers which is polling law enforcement officials on the question of forming their own squad of top talent officers, to help solve major crimes.

Justus said officials of police units in the region are being asked why they have not used the Major Case Squad more often, noting that the present squad has been used only once to investigate a case on the Illinois side of the river.

After completion of the survey, the committee will report to the Police Chiefs' Association of Madison, St. Clair and Monroe Counties.

Two Men Wounded in Fight at GC Tavern

A disturbance at the 20th and Park Tavern, 2100 E. 20th St., at 5:20 p.m. Saturday resulted in one man being shot in the head and another suffering cuts in the abdomen. Little information concerning events leading up to the shooting was available from the participants, police said.

John Duboise, 42, of 2788 Washington Ave., who was shot in the head during the melee, was admitted at Firmin Desnoes Hospital, St. Louis. He was taken by ambulance to St. Elizabeth Hospital before being transferred to St. Louis.

Arrested on charges of aggravated battery were Jerry Warkack, 27, of 2035 Sherman Ave., and Donald Duboise, 63, of 2788 Washington Ave., a brother of the shooting victim.

Witnesses at the tavern said that Warkack pulled a small handgun and began beating John Duboise on the head during the argument. The weapon discharge and the bullet struck Duboise on the left side of the forehead, according to police.

Warkack then ran from the premises, witnesses reported.

Police said the bullet emerged from the top of the man's head and went into a wall, apparently falling behind a section of wall paneling. Duboise was standing at the end of the bar near the front windows when the shooting occurred, officers reported.

Charles Warkack, 55, of 2424 State St., a brother of Jerry Warkack, suffered two long cuts to the stomach. He was admitted at St. Elizabeth Hospital.

Donald Duboise was arrested in connection with this incident, police said.

A witness reported that earlier Saturday the Warkack brothers were at another Granite City tavern and Jerry Warkack was playing pool with an unidentified Duboise brother when an argument started. The disagreement erupted again at 20th and Park Tavern, police said.

Jerry Warkack was booked at police headquarters at 1:05 a.m. Sunday. Donald Duboise was taken into custody at his home at 7:05 p.m. Sunday.

Patrolman Mank Case Remanded to Police Board

A Granite City Police Board case involving the 1968 dismissal of Patrolman Louis Mank has been remanded to the board by the Fourth District Appellate Court at Springfield after court recommendations for a lesser punishment than dismissal.

The appellate court dismissed four of the brutality charges on which the Board of Police and Fire Commissioners originally based Mank's dismissal, and said that a lesser penalty should be assessed for the only two remaining charges.

The board also held that a fair trial for Mank was unlikely because the charges had been brought against Mank by Chief of Police Ronald Veizer, while Veizer's father was a member of the board, although there was no evidence that either man had attempted to use his influence.

Mank originally was named on 13 charges. The board convicted him on six counts in late 1969. That decision was reversed in circuit court at Edwardsville in June 1970. The city appealed the decision to the Fifth District Appellate Court at Mount Vernon, but that court disqualified itself and the case was taken to the Fourth District.

Lance Callis, attorney for Mank, said the appellate court ruling upheld the circuit court reversal of the police board ruling and, additionally, dismissed the four brutality charges.

The only two remaining charges are that Mank was employed by a private corporation without clearance from the department, and that he gave a ticket to a Granite City motorcycle officer for not wearing his helmet while on duty, the attorney said.

Callis said that Mank cannot return to duty as a policeman because of a disabling knee injury. Mank was placed on pension early this month.

A circuit court judgment for \$29,000 was granted Mank at Edwardsville in late August. The judgment was sought as salary Mank alleges is due him from the period since his removal from the payroll because of the police board order dismissing him.

The city council has authorized an appeal of the judgment order.

GC Woman Threatened By Man Wielding Knife

A Granite City woman reported being threatened by a man wielding a large knife who gained entrance to her home by a ruse early Friday morning.

The man had visited the woman's home earlier in the same evening and had departed with the group. Later he returned telling the woman that he needed to use the telephone due to car trouble and made the threats against her when he admitted him.

He left the house after the woman's son escaped to a neighboring home and notified police, officers were told.

Arrested by police in the case at 10:40 p.m. Sunday at 17th Street and Cleveland Boulevard was Danny C. Taylor, 19, of 1716 Cleveland Blvd., on warrants charging battery and aggravated assault. The complaints were signed by Anita Howerton.

One personnel request was for an administrator of volunteers in the youth probation office so the office can increase its volunteer corps from about a dozen to about 50 persons. An administrative salary should be about \$9,000, it was suggested.

Decisions on the requests will be made later, according to J. J. Gramlich, committee chairman.

Judiciary Seeks Hike Of \$200,000 in Budget

The Madison County Circuit Court requested a judiciary budget of \$737,000 for the fiscal year beginning Dec. 1, about \$200,000 more than the current fiscal year, at a hearing of the finance committee of the County Board last week.

The request excluded salary increases proposed for department personnel.

The major increases was for per diem and mileage payments for jurors, from \$140,000 to \$240,000. Chief Circuit Judge Michael Kinney said the hike would permit per diem to jurors to be raised from \$5 to \$10 per day.

He said Madison County is one of only five counties in the state to pay jurors the legal minimum of \$5.

Other increases requested were for additional personnel, more office supplies and equipment and rising costs.

One personnel request was for an administrator of volunteers in the youth probation office so the office can increase its volunteer corps from about a dozen to about 50 persons. An administrative salary should be about \$9,000, it was suggested.

MR. AND MRS. MELVIN A. STROUD. Their wedding took place at St. John United Church of Christ. The bride is the former Miss Laura Ann Reiske, a daughter of Mr. and Mrs. Norman Reiske, 2575 Pontoon Road.

Stroud-Reiske Wedding At St. John United

St. John United Church of Christ was the scene of the candlelight wedding of Miss Laura Ann Reiske and Melvin A. Stroud on Sept. 15. Officiating at the double ring ceremony at 7 o'clock in the evening was the Rev. Paul Surbey.

The bride is a daughter of Mr. and Mrs. Norman Reiske, 2575 Pontoon Road. Mr. Stroud's parents, Mr. and Mrs. Troy Stroud, reside at 3020 Ash Ave. Given in marriage by her father, the bride chose a gown of Chantilly lace designed with a fitted bodice, featuring a sash and neckline and long tapered sleeves.

The very full skirt was created with tiers of ruffled lace and embellished with a detachable train, cascading gently to chapel length.

A forward lace headpiece held in place a shoulder-length bouffant veil and she carried a bouquet of carnations and lily of the valley.

Miss Connie Huelskoetter, the bride's aunt, was maid of honor. She wore a yellow chiffon dress

designed in Empire style and her bouquet was an arrangement of yellow carnations.

The bridesmaid, Miss Marlene Katka, was attired in a pink chiffon frock with a matching pink headpiece. Her bouquet was formed of pink carnations.

Serving as best man was Rick Kaiser. The groomsmen were Jim Birdsong and seating the guests was Tim Reiske, a brother of the bride. Another brother of the bride, Jimmy Reiske, was the ringbearer.

Mrs. Reiske chose for her daughter's wedding a dress in blue, gray and white knit, complemented with white accessories. Mrs. Stroud, mother of the groom, wore a floor length blue dress with silver accessories.

A dinner was held at the Round Table Restaurant in Collinsville following the service.

Both young people are 1972 graduates of Granite City High School.

The former Miss Reiske is employed at Midwest Card Co. in St. Louis. Her husband works at Granite City Steel Co.

Lake School PTA Begins New Year

Student representatives from each class at Lake Elementary School presented gifts to the faculty members who were introduced last week at the first fall meeting of Lake Parent-Teacher Association. About 150 persons attended.

Dale Phelps, PTA president, was in charge of the opening ceremonies. He conducted a short business meeting and announced the names of new committee chairmen for the 1972-73 school year.

Members of the Lake School staff were introduced by Principal Edward Gowan.

The program was an explanation and discussion relating to the new report card system and grading plan. Reviewing the procedure was Mrs. Janet Warren, a Lake teacher and a member of the school district's Elementary Curriculum Committee.

Mrs. Joan Shaffner's multiple

handicapped room won the room award banner or having the highest percentage of parents represented at the meeting.

Mrs. Donna Lorentz was awarded a special prize.

PTA chairmen appointed by Phelps, include: Mrs. Betty Varbrugh, fifth grade teacher; programs; Mr. and Mrs. John Kastelic, historians; Mrs. Patricia Rigney, ways and means; Mrs. Lucy Stucke, publicity; Mrs. Kathleen Bledsoe, room mothers; Mrs. Mary Lou Hudson, a Lake teacher, hospitality; and Mrs. Lorentz, membership.

Refreshments were served following the program by members of the PTA executive board.

Plans are being completed for a candy sale during October and a bake sale at Schermer's Market in Madison on Nov. 18, the unit was advised.

Shower Honors Miss Gardner

Miss Pat Gardner was honored at a surprise bridal shower last week held at the Long Lake Firemen's Hall in Pontoon Beach. The party was given by Mrs. Mabel Kennerly, Mrs. Nadene Taylor and Mrs. Charlene Rinehart.

The honoree will become the bride of Jimmie Henson on Friday.

Blue and white were used extensively throughout the shower appointments, matching the colors to be worn by the wedding party.

Games were played and prizes were awarded.

Those attending were Mesdames Jane Sartin, Pam Sartin, Mary Sartin, Sandy Burton, Mariann Henderson, Nancy Roades, Ruth Henson, Wanda Rinehart and Mary Gardner and Misses Sheila Anderson, Janet Rinehart, Debbie Henson, Linda Rinehart and Cindy Taylor.

The Schermer Bulletin

WEIGHT WATCHER'S ICE CREAM is now at Schermer's. We were about two weeks late getting it in, but it's here. Now all you weight-watchers can really live it up.

The meat-price situation is not improving. In fact the outlook is anything but good. Cattle prices will probably not change materially from here on till the end of the year. NOW HEAR THIS. HOG PRICES MAY EVEN GO HIGHER. There is some talk of Cholera in various parts of the country and if this spreads \$38.00 Hogs may be the result. At any rate we will continue to look for buys that can save you money. In this week's ad we have some bacon strips for 29¢ lb. Those of you who bought the Seitz Bologna last week got in on a way below the wholesale market.

Items like Riblets, Turkey parts, etc., that we have been featuring can help you overcome the price of Steak, Pork Chops, etc. In all of our departments we feel that our main job is getting merchandise into our store that we can sell at attractive prices. The last nine months it's been hard, but we think we have done the job.

MR. AND MRS. DAVID KNIKEN. They exchanged wedding vows at the Word of Life Tabernacle. She is the former Miss Bonnie Roseman, a daughter of Mr. and Mrs. Dewey Roseman, 2230 Benton St.

Miss Bonnie Roseman Marries David Kniken

The wedding of Miss Bonnie Roseman, a daughter of Mr. and Mrs. Dewey Roseman, 2230 Benton St., and David K. Kniken, son of Mr. and Mrs. Cornelius Kniken, 773 E. 168th St., South Holland, Ill., took place on Sept. 18 at the Word of Life Tabernacle.

A double ring ceremony was performed at 5 o'clock by the Rev. Henry Crippen before an altar decorated with bouquets of white flowers and lighted candles.

Jack Jenkins played the organ and Rodney and Sandy Carter sang "The Wedding Song" and "We've Only Just Begun."

Given in marriage by her father, the bride chose a formal length gown of silk organza over peau de soie. A lemon lace formed the Victorian neckline, edged the short puffed sleeves and created a double panel extending down the front of the A-line skirt to the hem.

An organza bow marked the Empire waistline and Alencon lace enhanced the court train that fell gently from the high rise waist in the back.

A petal headpiece etched with aurora borealis and crystal tear drops secured a shoulder length triple tiered veil of imported French illusion. She held a colonial bouquet of daisies.

Miss Janet White, the honor attendant, wore a full length dress made in Empire style, with a candy pink chiffon bodice and silhouette skirt of pink and orchid floral fabric.

The long sleeves were cuffed with floral chiffon and meshing chiffon formed the high Victorian neckline.

The bridesmaids, Mrs. Rick Thompson and Mrs. Randy Vollmer, both sisters of the bride, were gowned in similarly styled frocks. All attendants wore white picture hats trimmed

with streamers in colors to match their gowns.

Mrs. Thompson was in aqua and blue while Mrs. Vollmer chose shades of gold and yellow. Their bouquets of daisies were in harmonizing colors.

Amy Dawn Thompson, a niece of the bride, appeared in white floor length dress, accented with a pink sash. She carried a basket of pink rose petals.

The groom chose Edward DeWitt of South Holland as best man, Gerald Koster of Lansing, Ill., Scott Eubanks of South Holland, Mark Roseman, brother of the bride, and Robert Rill completed the corps of groomsmen and ushers.

Candlelighters, Miss Melody Roseman and Miss Donna Kniken, sisters of the bride and groom, were attired in orchid and pink gowns. Each wore a white picture hat.

Mrs. Roseman, the bride's mother, was attired in a street length coat and dress ensemble in pastel blue, accented with black accessories.

The groom's mother, Mrs. Kniken, chose a floor length gown of light green chiffon with an avocado skirt designed in Empire style. Her accessories were in gold. Both mothers wore carnation corsages.

Guests were received by the newly married couple at a reception held at the NCO Club of the Granite City Air Installation after the service. Attending the guest book were Misses Donna Roseman, a sister of the bride, and Becky Benson.

Mr. and Mrs. Kniken, the groom's parents, were hosts at a rehearsal dinner at Heritage House, St. Louis, the evening preceding the ceremony.

After a wedding trip to the lake of the Ozarks, the couple will reside in Granite City.

DISCUSSING PROPOSED ALL-VOLUNTEER blood donor program for the Quad-City area are, left to right, Miss Jill Hadden, field representative for the Illinois-Missouri Red Cross blood program; Mrs. Fred Rupp, president of Quad-City Council of Church Women United; and Mrs. Elizabeth Munkres, blood program consultant for the Red Cross.

Church Women Set Annual Forum

The second annual Forum of the Quad-City Council of Church Women United will be held at 7:30 p.m. Tuesday at Suburban Baptist Church, 2500 St. Clair Ave.

Guest speaker will be Miss Jill Hadden, field representative for the Illinois-Missouri Red Cross Blood Program, who will discuss an all-volunteer blood donor program for the area.

Additional guests will be Paul Kelly, general chairman of the Tri-Cities Area United Fund, and the chairmen of the areas of involvement to which Church Women United is committed.

The later will comprise a panel to discuss the work of the group in the Quad-Cities area. An informal coffee hour will follow the meeting.

Michael McCleary Honored at Party

A welcome home dinner was given last week for Mr. and Mrs. Michael McCleary at the home of his parents, Mr. and Mrs. George McCleary, Highway 162. The occasion marked Michael McCleary's discharge from the U. S. Navy after four years of service.

The local serviceman has been engaged in oceanographic research and his final assignment was at Ford Island in Hawaii. He is planning to enroll at the Rankin Trade School in St. Louis.

Guests attending were Mrs. Zella McCleary and Mrs. Daisy Hall, grandmothers of the honoree; Kathy, Joe, Neil and Leta Hall, Mr. and Mrs. Harvey Brown, Mr. and Mrs. Robert McCleary and family, Mr. and Mrs. Dennis McCleary and family, Mr. and Mrs. Richard Baderback and family, and Mr. and Mrs. Jerry Dean and daughter, Lisa.

Alpha Xi Reviews Convention Plans

Alpha Xi Chapter of Epistol Sigma Alpha met last week at the home of Mrs. Joyce Albers, 3119 Yale Drive, to continue planning for the sorority's state convention, to be held Oct. 27-29 at Stauffer's Riverfront Inn, St. Louis.

The evening was spent working on details of the convention which will be hosted by Alpha Xi.

Refreshments were served to Mesdames Barbara Orris, Mary Modica, Kathy Dohal, Rosalie Bueckle, Mary Firtos, Betty Calligan, Gerry Mendez, Carol Poole, Sue Sanasarian, Connie Grupos, Pat Scherrills, Pat Lajlich and Miss Betty Bucatch.

The next meeting will be held in the home of Mrs. Orris.

Mrs. Knight Is Class Hostess

Mrs. Elizabeth Knight, 1923 Benton St., was hostess to the Phoebe Bible Class of Central Baptist Church at her home last week.

The opening prayer was offered by Mrs. Knight and the group sang the hymn "What a Friend."

Mrs. Viola Jones gave the devotional topic, taken from Psalm 24, and read two poems, entitled "Blessed Secret" and "Have You Any Room For Jesus?"

Mrs. May Williams presided over the business session. Mrs. Gussie Hessman reviewed the last meeting and a report on birthday cards and get well cards sent to class members was given by Mrs. Beatrice Henry.

The class voted to donate a special offering to the Illinois State Mission. Roll call was answered with scripture verses. The October meeting will be held in the home of Mrs. Henry, 1728 Spring Ave.

Mrs. Rushing closed the meeting with prayer. Refreshments were served to those mentioned and to Mrs. Pearl Kingsley and Mrs. Lucy Stewart.

Circle Meets In Collinsville

Mrs. Ruth Schuster served a breakfast brunch to members of Circle Two of the United Presbyterian Women last week in her home, 1704 Ramada Drive, Collinsville.

Thirteen members attended and discussed at length the "Peasant Bazaar and Silver Tea," to take place Saturday, Nov. 4 at the church.

All circles of the First United Presbyterian Church are preparing items for sale during the fund raising project.

Mrs. Peg Stevens is serving as general chairman of the bazaar which will be open to the public from 1 to 5:30 p.m., Nov. 4.

Mrs. Emmett Beeler presented the devotional lesson and Mrs. Burdine Holtzner gave the "Fellowship of the Least Coin." The World Book of Prayer was read by Mrs. Lucia Allen.

A collection was taken to be donated to the Nearly New Clothing Center, sponsored by the Quad-City Church Women United.

Travelers Club Meets Tonight

Traveler's Abroad will begin its fall programming today with the club scheduling its initial meeting at 7:30 p.m. in the library at Prather Junior High School.

Alfred Krumm, who has an extensive background in Germany, will present tonight's program entitled "The Pied Piper of Hamelin." The presentation will be based on the legend developed in Robert Browning's famous poem "The Pied Piper."

The speaker spent two years in Germany as an exchange teacher. He taught English in a German school in Bavaria during 1953-54 and the following year instructed the same subject at the Army Dependents' School in Frankfurt, Germany.

Members are being urged to attend the season's first session tonight. Guests are invited. A social hour will follow the program.

MR. AND MRS. GEORGE W. ROETHEMEYER, who were united in marriage at St. John United Church of Christ. The bride is the former Miss Cynthia Susan Tadlock, a daughter of Mr. and Mrs. James Tadlock, 1751 Spruce St.

Cynthia S. Tadlock and G.W. Roethemeyer Wed

Miss Cynthia Susan Tadlock and George Walter Roethemeyer exchanged wedding vows Sept. 16 in an early evening ceremony at St. John United Church of Christ.

The Rev. Paul Surbey officiated at the double ring candle-light service at 6:30 p.m.

Mrs. Irene Barrick, organist, played the "Sound of Silence" and accompanied Mrs. Arlene Sohm, soloist, as she sang "We've Only Just Begun" and the Lord's Prayer.

The bride is a daughter of Mr. and Mrs. James Tadlock, 1751 Spruce St. The groom's parents, Mr. and Mrs. Wallace Roethemeyer, reside at 2516 Lincoln Ave.

The former Miss Tadlock was escorted down the white carpeted aisle and given in marriage by her father. She selected a bridal gown of lace, fashioned with sheer lace yoke and long, fitted sheer sleeves.

Scallops of lace edged the neckline and sleeves and the full bell-shaped skirt was scalloped around the hemline. A headpiece of dainty lace leaves secured a waist length veil of illusion. She carried a cascade of white roses and white carnations.

Mrs. Nancy Garner, sister of the groom, served as matron of honor. Miss Rhonda Tadlock

Gabriel Shrine Officers Feted

Mr. and Mrs. Roland Mueller entertained past officers of Gabriel Shrine at a dinner party and meeting last week at the Round Table Restaurant in Collinsville.

Mrs. Hulda Griffith, president of the club, presided. Two new members, Mr. and Mrs. John DeLia, were welcomed.

It was announced the next meeting also will be a Christmas party, with Dr. and Mrs. E. H. Thies serving as hosts.

Others attending the dinner were Dr. and Mrs. Elwood Ackerman, Mr. and Mrs. Henry Ashauer, Mrs. Bess Henley, Mrs. Effie Johnson, Mr. and Mrs. Charles McCollum, Mr. and Mrs. DuBert McKissick, Mr. and Mrs. Oco Woods, Wayne Richardson, Mrs. Ruth Mitchell and Mrs. Florence Spahr.

DAV AUXILIARY PLANS PARTY FOR VETERANS

The DAV Auxiliary held its social meeting last week with 11 members present. Commander Irene Hoelter presided and plans were made to hold a party for the veterans at Jefferson Barracks Hospital.

Mrs. Thelma Dillard and Mrs. Lena Kalp served refreshments to the group.

Navy Mothers Aid Veterans

Donations to Navy veterans' hospitals and a local family were made during a meeting Thursday night of the Quad-City Navy Mothers, Unit 830.

Commander Mildred Walker presided at the meeting, attended by 17 members, a guest, Mrs. Marg Assemeier, and a new member, Mrs. Meiba Maninger.

Contributions of \$50 each were sent to a needy family and the Navy Veterans' Hospital in Palo Alto, Calif. A \$35 donation was made to Great Lakes Naval Hospital. The members also donated books to be resold, with the proceeds to be given to the Leukemia Fund.

Plans were made to send a gift to a former club member, now residing in a nursing home, and for a rummage sale, to be held on Friday, Oct. 6, at 1734 Edison Ave.

After the business session, Mrs. Margaret Mize was presented with a "gold card" from the Navy Mothers national headquarters. The card was awarded in appreciation of her participation as a volunteer worker in Navy welfare programs for five consecutive years.

Hostesses for the evening were Mrs. Betty Merz, Mrs. Frances Westbrook and Mrs. Edna Miller.

Prizes were won by Mrs. Walker, Mrs. Minze, Mrs. Della Rabb, Mrs. Merz and Elmer Luckert.

Miss Helen McCain has accepted the position of director of nursing service at St. Elizabeth Hospital, it was announced today.

She has an extensive background in nursing and most recently was an assistant instructor at Southern Illinois University-Edwardsville campus.

Miss McCain's previous appointments included assistant director of nursing service at Cardinal Glennon Hospital, St. Louis; evening supervisor at the Jewish Center for Aged, St. Louis; nurse in charge of a geriatric unit at St. Louis; and as a member of the Nursing Intensive Care Unit at Cardinal Glennon Memorial Hospital.

She also served as clinical instructor of Medical-Surgical Nursing I, II and III at St. Louis Municipal School of Nursing.

The new director capuled her philosophy of nursing by stating—"I view quality nursing care as involving treatment of the individual not simply as a patient, but as an individual having a social class and racial, ethnic, religious and community background which affect his or her role behavior as a patient."

"Therefore," Miss McCain continued, "nursing means to take care of the patient as a whole, not just as a disease entity."

Wilson PTA Hears School History

A review of events at Wilson School since the building was opened 14 years ago was presented last week by Wilson Principal Ted Vrenick at the school's first Parent-Teacher Association meeting of the season.

Vrenick also introduced faculty members, and a special award was presented to Mrs. Metella Mason's morning kindergarten class which had the highest percentage of parents present at the meeting.

Mrs. Harriet Evans, PTA vice-president, was in charge of the business session.

Mrs. Estelle Smith read the PTA Prayer and the flag ceremony and pledge of allegiance were led by Brownie Troop 810.

Members authorized the PTA executive board to purchase playground equipment for the school.

Area PTA Supper Plant Material Topic of Public Program

Thursday Night

The Granite City Area PTA Council plans to host a supper and plant material program for the first meeting of the new school year, Thursday, Sept. 28, at 6:30 p.m. at Johnson School.

Each school's PTA unit has been notified of the menu items and members of the Area PTA board will furnish most dishes, with ham provided by the PTA.

The vice-president and program chairman, Donald Kopp, has announced the following additional meeting dates: Nov. 23, Nameoki School; Jan. 25, Frohary, Feb. 22, annual awards banquet; March 22, Wilson School; and May 24, Maryville School.

The Area PTA board will meet on the second Thursday of every month.

A "fall conference" is set for Oct. 26 in the Granite City High School Cafeteria. Registration will begin at 5:30, and dinner served at 6:30 p.m. Tickets are \$3.25 per person.

The national theme for PTA during 1972-73 is "Responsible Involvement Serves Everyone." The Illinois PTA theme this year is "Cherish Diversity and Work in Unity."

Officers of the Area Council are Mrs. Juanita Hunter, president; Mrs. Maryanne Kopp, secretary; and Mrs. Yvonne Lipchik, treasurer.

Committee chairmen announced by Mrs. Hunter include: cultural arts, Mrs. Helen Powell; membership, Mrs. Katie Wilson; publicity, Mrs. Harriet Lovins; legislature, Mrs. Vera Farrow; hospitality, Mrs. Dorothy Phelps; safety and health, Dr. Benjamin T. Rose; parliamentarian, Mrs. Twila McKim; and school education, Mrs. Faye Kirgan.

Representatives of the local organizations attended a county republican candidates dinner in Alton and a meeting in Edwardsville during the past week, where several candidates spoke. They also were present at a Percy campaign affair Friday evening.

The October club meeting will be held in the home of Mrs. Pearl Thomas, 2808 Hodges Ave., when plans will be completed for a special observance on Oct. 21.

DENTAL ASSISTANTS
OPEN 1972-73 YEAR

The Mississippi Valley Dental Assistants Society held its first meeting of the 1972-73 season last week in the home of Mrs. Betty Williams, 1537 Lindell Blvd.

Plans were made to conduct the October meeting at the Lewis and Clark Community College. Guest speaker for the evening will be Dr. Joseph Sims who is associated with the Southern Illinois University School of Dentistry.

Principal Donald Kopp introduced teachers and it was announced that the school will observe "open house" on Oct. 24. Room mother volunteers were requested by the chairman, Mrs. Donna Lane. Mrs. Jo Ann Vaughn, magazine sales chairman, reported that all fifth and sixth graders will participate in the sale.

Reports were submitted by Mrs. Ruth Pope and Mrs. Marilyn Spoke. Mrs. Thelma Chapman's second grade room received the room prize, and refreshments were served by the executive board under the direction of Mrs. Lane.

The program chairman, Mrs. Brusati, introduced Mrs. Regina Conway, third grade teacher at Nameoki, who spoke on the individual continuous progress plan and the differences from past methods.

Principal Kopp reviewed the new grading method and noted that regularly-scheduled parent conferences have been discontinued.

A program and demonstration entitled "Ways to Preserve and Use Plant Material" will be presented by Mrs. Carl Hueseman of Collinsville at 10 a.m. Thursday at the Nameoki Recreation Center, Franklin and Amos avenues.

Due to the increasing interest in creative crafts, the Gardeners Garden Club has arranged for Mrs. Hueseman's appearance here.

The local club maintains the Mini-Garden Information Center at the Granite City Public Library and the demonstration is being presented under the center's sponsorship, according to Mrs. C. E. Eads, Gardeners president.

The guest lecturer is a national accredited flower show judge. She is an avid gardener and grows most of the material she uses when exhibiting and presenting programs.

Beats at the gardening hobby, Mrs. Hueseman is an artist, working in oils. Several of her paintings have been exhibited in shows. She also is active in the Collinsville Hospital Auxiliary and the St. Peter Lutheran Church women's organization.

Mrs. Eads said this week's program is one of a continuing series of civic services the local garden club is providing through its operation of the Mini-Garden Information Center at the library.

Public invited
Previous programs have featured landscaping, proper planting and pruning, a seminar

on trees and roses; and a demonstration on outdoor lighting techniques.

All programs and demonstration lectures are open to the public, admission free, Mrs. Eads explained. She added that participants are not required to be members of a garden club.

Displays provided by the Gardeners at the library center feature a different subject each month in the field of horticulture and related areas. The September exhibit focuses on weed control in lawns.

Coordinating the program here are Mrs. Charles Kohl, of Granite City, Garden Center's chairman, District V, Illinois Federation of Garden Clubs, Inc.; Mrs. Earl Glenn, local Garden Center chairman; and Mrs. Eads.

Those who were awarded prizes in the games were Mesdames Ruth Partney, Leona Delaney, Helen Santagato, Florida Batson and Evelyn McColgan.

The hostess served a luncheon to the prize winners and to Mrs. Judith Blevins, Mrs. Angie Beuhler and Mrs. Rose Drupe. Mrs. Santagato invited the club to meet with her next month.

MRS. WAGNER HOSTESS
TO PINOCCHIO CLUB

Mrs. Veronica Wagner, 1943 Lindell Blvd., was hostess for her pinocchio club Thursday evening in her home.

Those excelling at cards and winning prizes were Mesdames Vera Carey, Agnes Schwarzkopf, Grace Henrich and Leona Parente.

The hostess served a luncheon after the games to those named and to Mrs. Grace Range, Margaret Richardson and Lilian Lombardi. Mrs. Carey invited the club to meet in her home Oct. 19.

GOING AWAY PARTY

Mrs. Yvonne Kittel, 600 Jefferson St., was guest of honor at a farewell party given by Mrs. Kay Zarlingo, Mrs. Barbara Hadley and Mrs. Caroline Malherke.

A luncheon was served to the above and Mesdames Shirley Ochoa, Virginia Kittel, Marilyn Smith, Debbie Hall, Ruby Singleton, Angie Udell, Katie Hopper, Carol Vaughn and Mildred Pratt and Miss Diane Malherke. She received many gifts.

The teachers of St. Mary-St. Mark's School were guests of honor last week at a faculty tea held in the St. Mark's Church basement.

"An apple for the teacher" was the theme used, with ceramic red apple pencilholders used as favors for the used for the teachers. White felt-covered cans with apple appliques were pencilholders for the ladies attending.

A large paper apple with the theme in gold print was suspended over a portable chalkboard at the rear of the hall. Place cards for the teachers were made of bright colored paper in designs relating to a school theme. Miniature matching designs were used for nametags.

A pair of bookends decorated with classroom articles was used for the gift table. Mrs. Marlene Miller, president of St. Mark's Women's Society, welcomed all the teachers and ladies. Games were played and prizes were awarded to the teachers.

Chairmen if the event were Mrs. Charlotte BilbreY, Mrs. Kathy Dohmal, with Mesdames Gerry Mendez, Mary Piroos, Jan Blatz and Carol Vaughn serving on the committees.

Refreshments were served to the above and Sister Bernadette, Sister Kathleen, Sister Rosella, Sister Agnesa, Sister Marie, Miss Jane Tolar, Mrs. Mary Lou Rogenski, Mrs. Frances Page, Mrs. Betty McClanahan, all faculty members.

Father John O'Connell, Father Sylvester Micek and Mesdames Dolores Vandavey, Spunks, Sharon Kriebel, Pat Papa, Betty Bulva, Judy Modrey, Helen Moseglan, Shirley Mainbridge, Helen Brown.

Mesdames Cecilia Pingel, Loretta Picurka, Caroline Malherke, Donna Dorris, Fay Hamilton, Loretta Hylla, Dorothy Volokos, Janet Werner, Mary Theban, Jo Ann Hartman, Alda Yurko, Kotonius Oshee, Pat BilbreY.

Mesdames Katie Buechele, Helen Bisto, Mary Lou Shambro, Mary Jo Kalka, Hattie Mulnik, Ina Mae Ponce, Ruth Williams, Shirley Ochoa, Tena Ponce, Dolores Brinker, Tillie McGarraghan, Carol McGee, Rosie Patterson, Margaret Lee, Evelyn Tolliver and Barbara Tolliver and Barbara Hadley.

It was announced that Miss Mary Lou Shambro and Miss Barbara Mulnik will be entering a convent in the near future. Mrs. Miller presented each with a gift from the Women's Society.

MR. AND MRS. ALLISON WALLIS JR. They exchanged wedding vows in an evening ceremony at St. Elizabeth Roman Catholic Church. The bride is the former Miss Deborah Ann Kwiatkowski, a daughter of Mr. and Mrs. Theodore Kwiatkowski, 2569 Lynch Ave.

Deborah Ann Kwiatkowski Wed In Evening Ceremony

Miss Deborah Ann Kwiatkowski and Allison B. Wallis Jr. exchanged wedding vows at 7 o'clock in the evening on Sept. 15 at St. Elizabeth Roman Catholic Church.

The Rev. Lawrence Mattingly performed the double ring ceremony before an altar decorated with arrangements of white flowers and greenery. Parents of the couple are Mr. and Mrs. Theodore J. Kwiatkowski, 2569 Lynch Ave., and Mr. and Mrs. Allison B. Wallis Jr., 209 O'Hare Ave.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore a floor length gown of high peau de soie featuring a white ruffle and Venise lace. Matching lace-cascaded in double rows down the front of the silhouette skirt that terminated in a chapel length train.

Bands of Venise lace at the elbow and cuffs accented the long bishop sleeves. Her cathedral veil of imported illusion was secured to a semi-profile headpiece of Venise lace and she held a bouquet of miniature white "mums" festooned with white satin streamers.

The matron of honor, Mrs. Theresa Finazzo, 1,638 Brimley, Miss Gloria Peiri and flower girl, Diane Kwiatkowski, a sister of the bride, were

Dorcas Circle

To Aid Patients

The Dorcas Circle Third Baptist Church met last week in the home of Mrs. Bonard Maples, 2633 Delmar Ave., and heard a program entitled "A National Image" by Mrs. Nell Watson.

A luncheon was served during the noon hour. Mrs. Julia McLean, president, presided over a short business meeting when plans were made for each member to make a bed jacket for a patient in the Madison County Nursing Home in Edwardsville. The group also arranged to meet with Mrs. Hazel Atchison for a day of sewing hospital gowns.

Officers elected for the year are: Mrs. Julia McLean, president; Mrs. Bonard Maples, vice president; Mrs. Goldie Riley, prayer chairman; Mrs. Boone Pratt, program chairman; Mrs. Verna Carter, secretary; and Mrs. Nell Watson, mission action chairman.

Also present at the meeting were Mrs. Raymond Brayfield and Mrs. Harold Lorentz.

RETREAT DISCUSSED BY PRESBYTERIAN WOMEN

The first fall meeting of the United Presbyterian Women of the First United Presbyterian Church of Madison was held in the home of Mrs. L. C. Harlan, 1734 Fourth St.

Mrs. Harlan served a dessert course from a table adorned with fresh roses from her garden. Mrs. Elizabeth Deffenbacher assisted the hostess.

Mrs. Marion Fogle gave the devotional. Mrs. Harlan presented and used a prayer given by Mrs. Lillian Delois, Pearl Young, Mary Markham and Betty King and Miss Jean Beitel and Miss Jean Markham. Favors were tiny floral sachets.

Following the meeting, several of the women visited a member, Mrs. Ida Harlander, who was a patient at St. Elizabeth Hospital. They presented her with flowers.

Mrs. Betty King has invited the club to her home, 2575 North St., for their next meeting.

JOLLY 12 MEETS WITH MRS. KATHRYN SMITHSON

The Jolly Twelve Pinchle Club members met Thursday in the home of Mrs. Kathryn Smithson, with a noon luncheon served by the hostess.

Pinchle filled the remainder of the afternoon, with prizes won by Mrs. Mable Layne, Mrs. Jean Barnes and Mrs. Marilyn Brandes. A consolation prize was awarded to Mrs. Pauline Stephens.

Mrs. Reba Harmon will hold the next meeting in her home, 2204 Johnson Road.

Niedringhaus PTA to Hear Officer

Patrolman Donald Knight of the Granite City Police Department will explain the "Block Home Protection Plan" at 7:30 p.m. Tuesday to members of Niedringhaus Parent-Teacher Association.

Prior to the PTA unit's first meeting of the 1972-73 school year, parents are invited to inspect classrooms, with the visitation period starting at 7 p.m. tomorrow.

During the general meeting faculty members will be introduced by Principal Gerald Bushue and each teacher will be presented an apple by

Mrs. Helen Powell, PTA hospitality chairman. A drive to increase membership and encourage better attendance at the monthly programs will be initiated by Mrs. Linda Hutchings, chairman.

At a PTA executive board session last week, Gary Crane of the Niedringhaus Learning Center, appealed for volunteers to assist in the school library.

Without help from mothers or other interested persons the program may have to be curtailed, he said. Those willing to assist are asked to contact the school office, Crane advised.

Class Dinner at Third Baptist

The Mary Martha Class of the Third Baptist Church met last week at the church for a 6:30 p.m. dinner and social period.

Miss Lorne Shirley, president, called upon Miss Allie Smith to give the invocation. Mrs. Bonard Maples presented the devotional after the dinner hour.

Those in attendance included the Rev. and Mrs. Carl Watkins, Mrs. Anna Fostick, Mrs. S. M. Wilson, Mrs. John Veizer, Mrs. Bessie Rainwater, Mrs. Mary Wilson, Mrs. William Logan, Mr. and Mrs. George Hopkins, Mr. and Mrs. Charles Turner, Mr. and Mrs. Frank Lindsay, Mr. and Mrs. Bonard Maples, Mrs. Hazel Atchison and guests, Mr. and Mrs. Fred Scheub of Kansas City, Mo.

FALL PLANS MADE FOR CHRISTIAN SERVICE

The Women's Society of Christian Service of Dewey Avenue Methodist Church held its monthly meeting in the church basement. Opening prayer was given by Mrs. Edith Clodfelder.

Mrs. Grace Lensing, president, conducted the business session and Mrs. Violet Miller gave the treasury report. Mrs. Virginia Kessler, secretary, reported on the last meeting.

A lesson on a Mexican missionary field was read by Mrs. Virgie Settle. The devotional was given by Mrs. Shirley Lane.

Plans were made for a garage sale to be held Oct. 5 and 6 at the home of Mrs. Grace Lensing, 2804 Washington Ave. The benediction was offered by Mrs. Wilma Ambury.

A "school days" relay race was enjoyed by all before Mrs. Lensing, hostess, served refreshments to those named and Mesdames Fern San Soucie, Penny Kessler, Marnie Waggoner, Alma Davis, Mary Davis, Ruby Redman, Wilma and Cynthia Ambury, Mrs. Betty Madara Shaw, Gladys Potillo, Doris Sexton and Jean Hileman.

GOP Headquarters In Nameoki Village

Republican headquarters in Granite City were officially opened last week at the trailer in Nameoki Village. Robert "Bob" Thomas, Madison County Coroner, cut the ribbon and introduced other candidates for public office in the 1972 elections.

In addition to Thomas, others present were Ralph Astorion, candidate for recorder of deeds; Robert J. Walters, state representative; Thomas A. Welch, states attorney; John Mangiaracino, East Side Sanitary District; Tony Olson, for state senator; and Lloyd Bentley for county clerk.

Barry Peterson and Bruce Culver, administrator assistants to Governor Richard B. Ogilvie, presented billboard pictures of the governor and candidate Richard M. Nixon to Mrs. Harold Stallings, who serves as the chairman for the Headquarters Committee.

Refreshments were served to guests by Mrs. Stallings, Mrs. Roy Lynn, Miss Mabel Stewart, Mrs. Ruth M. Grissman, Mrs. Edna Richter. Mrs. Stallings invited everyone to take advantage of the headquarters with its ample supply of information and brochures available to all voters. Voters may contact the headquarters by calling 576-6500.

Dr. Holt Home from Veterinarian Course

Dr. Leland Holt, Granite City, was one of 127 veterinarians attending the 33rd Annual Illinois Conference and Extension Short Course for Veterinarians in mid-September at the University of Illinois College of Veterinary Medicine.

The course, sponsored by the College, Cooperative Extension, Division of University Extension, and the Illinois Academy of Veterinary Medicine, featured 30 U.I. staff members as well as speakers from Oklahoma, Pennsylvania, Canada and Illinois.

The conference provided mini-workshops for small animal and mixed veterinary practitioners, a beef calf workshop, a small animal respiratory disease workshop, and a workshop on traumatic injury to the thorax. The conference was planned and coordinated by Dr. R. D. McQueen, coordinator of continuing education for the College.

Community to Dedicate New Grade School To Memory of Late GC Supt. R. D. Johnson

By VALERIE EVENDEN
Press-Record Staff Writer

Planning has been completed for dedication ceremonies for the Russell D. Johnson Elementary School, located on Old Alton Road near Norwood Drive, at 2 p.m. Sunday, Oct. 15.

Plans for the public dedication program and a tour of the uniquely designed building were approved last week at a meeting of the Granite City Board of Education.

Principal speakers will be Carl Maclos, president of the Granite City School Board; Wilbur R. L. Trimpe, superintendent of the Madison County Education Service Region; and B. J. Davis, Granite City superintendent of schools.

Mrs. Russell D. Johnson, wife of the late superintendent of schools for whom the new school building is named, and members of his family will be among the distinguished guests.

Owen E. Humphrey, curriculum coordinator for the district, will serve as master of ceremonies and W. Richard Brinkhoff, principal of Johnson School, will officially welcome the guests.

Prayer will be offered by the Rev. Dan Albrecht of the First Assembly of God Church and the Rev. Gus Falter, pastor of Pontoon Beach Baptist Church.

Tour, Refreshments
The public is invited to attend the dedication program, which is expected to last about 90 minutes.

A tour of the new structure and refreshments will follow the ceremony.

An extensive guest list was compiled by school board members. Among those to receive special invitations are former Supt. of Schools Paul A. Grigsby and former members of the district board.

City and township officials are being invited, together with representatives from other Granite City public and parochial schools.

Various service and civit groups, especially those with youth oriented programs, will be asked to send delegations to the ceremony, Supt. Davis said.

Members of the Boy and Girl Scout organizations and Parent-Teacher Association also are being specifically invited.

Open Space Concept
Constructed in the form of a series of hexagons, the latest addition to the Granite City School District houses kindergarten through sixth grade pupils in an "open space" instructional program.

The attendance count shows a total of 632 pupils at the building.

Twenty-one classroom teachers and nine specialized instructor-personnel staff the school.

All faculty members display enthusiasm for the school's flexibility and the open space concept of teaching.

Aided in Growth
The late Russell D. Johnson Sr. was a key figure in the growth of the Granite City school system.

Prior to his unexpected death on Friday, Nov. 11, 1966, when he was stricken with a fatal heart attack at home, the educator had spent 49 years helping to develop the district.

Mr. Johnson, 65, did extensive work with the planning firm of Harland Bartholomew & Associates in a master growth plan for the system and was the principal coordinator of the 1963 and 1967 bond issues for school construction.

He had served as superintendent of schools from May 14, 1964. Before that time he was assistant superintendent for junior and senior high instruction and director of vocational and industrial education for the district.

Started Here in 1926
Mr. Johnson joined the Granite City school system in 1926 as a teacher of mathematics at the senior high school.

He was a native of Moline, Ill., and received a bachelor of arts degree in 1925 from Augustana College in Rock Island. In 1930, he earned a master's degree at Washington University, St. Louis.

He served as principal of the high school and assistant principal and earlier was manager of athletics at the school.

At the time of consolidation of Granite City High School and the grade school districts, including several rural schools, in 1950, Mr. Johnson was serving as assistant to former Supt. of Schools Paul A. Grigsby.

His devotion to the school system throughout the years won him not only the respect of the community but his colleagues, his many associates and friends recall.

Mr. Johnson's death followed a busy schedule during American Education Week when the educator had visited most schools in the system. He was at home on the Veteran's Day holiday when stricken.

Cong. Price Asks Passage Of Product Safety Act

The Consumer Product Safety Act, H.R. 15003, is one of the most important pieces of legislation the House will consider during this session, Cong. Melvin Price (D-East St. Louis) told the House last week. The basic purpose of this bill is to have the Federal Government assume a major role in protecting consumers from unreasonable risks associated with the use or exposure to consumer products, he said.

In his address, Price said: To accomplish this objective this bill creates an independent regulatory commission, the Product Safety Commission, which brings together under one roof responsibility for regulating household consumer products as to safety.

"The Commission is authorized to study the causes and prevention of product-related injuries, establish mandatory safety standards for consumer products to reduce potential hazards and, if necessary, ban hazardous products from the market place and provide judicial and administrative relief against harmful products."

"That this legislation is needed can be understood by the following data. The National Center for Health Statistics estimates that each year 20 million Americans are injured in and around the home."

"Of this total, 110,000 injuries result in permanent disability and 30,000 in death. One estimate has placed the annual dollar cost to the economy of product-related injuries at over \$5 billion."

"Moreover, home accidents cause a death toll among children, his many associates and friends recall."

Mr. Johnson's death followed a busy schedule during American Education Week when the educator had visited most schools in the system. He was at home on the Veteran's Day holiday when stricken.

"Therefore, what is needed rather than the traditional case by case approach is a consolidated effort to promote consumer safety."

In closing, Mr. Chairman, I strongly support this bill and urge my colleagues to join in voting for it."

Zoning Hearing Set On Golf Course Plan

Proposed development of a private country club with a public golf course and related facilities by black interests in the Bend Road area is listed in a scheduled of on-site public hearings next month by the Madison County Zoning Board of Appeals.

The hearing is set for 9:30 a.m. Oct. 4 on the petition of Charles Whitehead, owner, and C & W Holding Co., by D. Caloway, president, purchaser, for a special use permit on the second tract of land on Bend Road east of Route 203.

The board will hold three other on-site hearings on Oct. 10 on petitions submitted by:

Lloyd E. Mouser, owner, to rezone two tracts of land at the end of Jeanette Drive in the Arlington Heights subdivision from agricultural district to R-3 one-family residence district at 11:25 a.m.

John Foster, owner, and Johnnie E. Foster, lessee, for a special use permit to operate an auto salvage yard in an R-4

In Nursing Class

Miss Mary Ann Koziol, daughter of Mr. and Mrs. Louis P. Koziol, 2556 Boyle Ave., was one of 79 students in the freshman class entering St. Luke's Hospital School of Nursing, St. Louis. Class sessions began last week.

single family residence district at the end of Harrison Street in Eagle Park Acres at 9:40 a.m.

Audrey F. Ward, owner, for a special use permit to place a mobile home in an R-4 single family residence district at 3308 Harvard St., State Park Place, at 10:10 a.m.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end mis-alignment, under-inflation, over-inflation and run-flat.

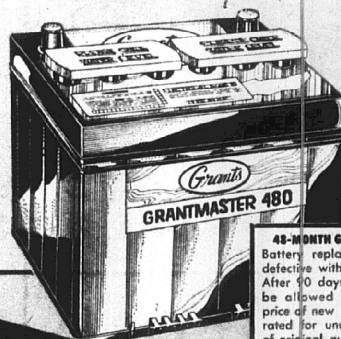

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.

48-MONTH GUARANTEE
Battery replaced free if defective within 90 days. After 90 days credit will be allowed on current price of new battery prorated for unused months of original guarantee.
